Dream On Me 442-B

Dream On Me Lacy Portable 2-in-1 Bassinet & Cradle Instruction Manual

Model: 442-B | Brand: Dream On Me

Setup | Operating Instructions | Maintenance | Troubleshooting | Specifications | Safety Guidelines | Warranty & Support

1. Setup

The Dream On Me Lacy Portable 2-in-1 Bassinet & Cradle is designed for straightforward assembly. It features a lightweight aluminum frame for easy handling. Please refer to the included instruction manual for detailed, step-by-step visual guides.

Assembly Overview

- Unpack all components and verify against the parts list in your manual.
- Assemble the lightweight aluminum frame, ensuring all connections are secure.
- Attach the bassinet basket to the frame.
- Install the hooded caster wheels, ensuring they are properly aligned for either rolling or rocking functionality.
- Place the 1-inch thick mattress pad inside the bassinet.

Visual Assembly Guide

2. Operating Instructions

The Lacy Bassinet offers versatile functionality to keep your baby comfortable and close by.

2-in-1 Bassinet & Cradle Functionality

This unit easily converts between a stationary bassinet and a soothing rocking cradle. To switch modes, simply rotate the hooded caster wheels upwards to engage the rocking base. Ensure all wheels are rotated consistently for stable rocking.

Image: The bassinet demonstrating its conversion from a wheeled unit to a rocking cradle by rotating the caster wheels.

Portability and Mobility

The bassinet is equipped with hooded locking caster wheels, allowing for easy movement from room to room. To secure the bassinet in a stationary position, engage the locks on all four wheels. To move, unlock the wheels.

Canopy Use

The multipurpose full canopy, featuring both mesh and fabric sections, can be adjusted or removed. It provides shade and helps protect your baby from insects when used outdoors or in areas with potential pests.

Storage Basket

A large storage basket is located beneath the bassinet. This is ideal for keeping baby essentials such as diapers, wipes, blankets, and toys conveniently at hand.

3. Maintenance

Proper care and maintenance will ensure the longevity and safety of your Dream On Me Lacy Bassinet.

Cleaning Instructions

- **Fabric Components:** The polyester foam fabric and ruffles should be hand washed only. Use mild soap and cold water. Do not bleach. Air dry thoroughly.
- **Mattress Pad:** The regulatory 1-inch thick mattress pad can be hand washed. For minor spills, wipe with a damp cloth. For thorough cleaning, hand wash with mild detergent and allow to air

dry completely before reinserting.

- **Frame:** Wipe the aluminum frame with a damp cloth and mild soap. Dry immediately. Avoid abrasive cleaners.

4. Troubleshooting

If you encounter any issues with your bassinet, please refer to the following common solutions.

Bassinet Feels Unstable or Wobbly

- **Check Connections:** Ensure all screws, bolts, and frame connections are securely tightened. Loose connections can lead to instability.
- **Proper Assembly:** Double-check that all parts are assembled according to the instruction manual. Incorrect placement of components can affect stability.
- **Level Surface:** Always place the bassinet on a flat, level surface. Uneven flooring can cause wobbling.

Wheels Not Rolling Smoothly or Locking

- **Clear Obstructions:** Ensure no debris (e.g., lint, hair) is caught in the wheel mechanisms.
- **Engage/Disengage Locks:** Verify that the wheel locks are fully engaged when stationary and fully disengaged when you intend to move the bassinet.
- **Wheel Orientation:** For rocking mode, ensure all wheels are rotated upwards. For rolling mode, ensure they are rotated downwards.

5. Specifications

Detailed product specifications for the Dream On Me Lacy Portable 2-in-1 Bassinet & Cradle.

Feature	Detail
Model Number	442-B
Product Dimensions	34" L x 18" W x 41.5" H

6. Safety Guidelines

Your baby's safety is paramount. Always adhere to the following guidelines when using the Dream On Me Lacy Bassinet.

- **Weight and Age Limits:** Use from birth until the baby reaches 25 lbs or can push up/roll over unassisted, whichever comes first.
- **Assembly:** Ensure all parts are correctly assembled and securely fastened before each use. Regularly check for loose parts.
- **Placement:** Always place the bassinet on a firm, flat, and level surface. Keep it away from windows, cords, and any potential hazards.
- **Bedding:** Use only the mattress pad provided by the manufacturer. Do not add extra padding, pillows, or loose bedding that could pose a suffocation risk.
- **Supervision:** Never leave your child unattended in the bassinet.
- **Canopy:** Ensure the canopy is securely attached and does not obstruct airflow.
