F10 200 ml (6.8oz)

F10 SC Concentrated Veterinary Disinfectant & Cleaner User Manual

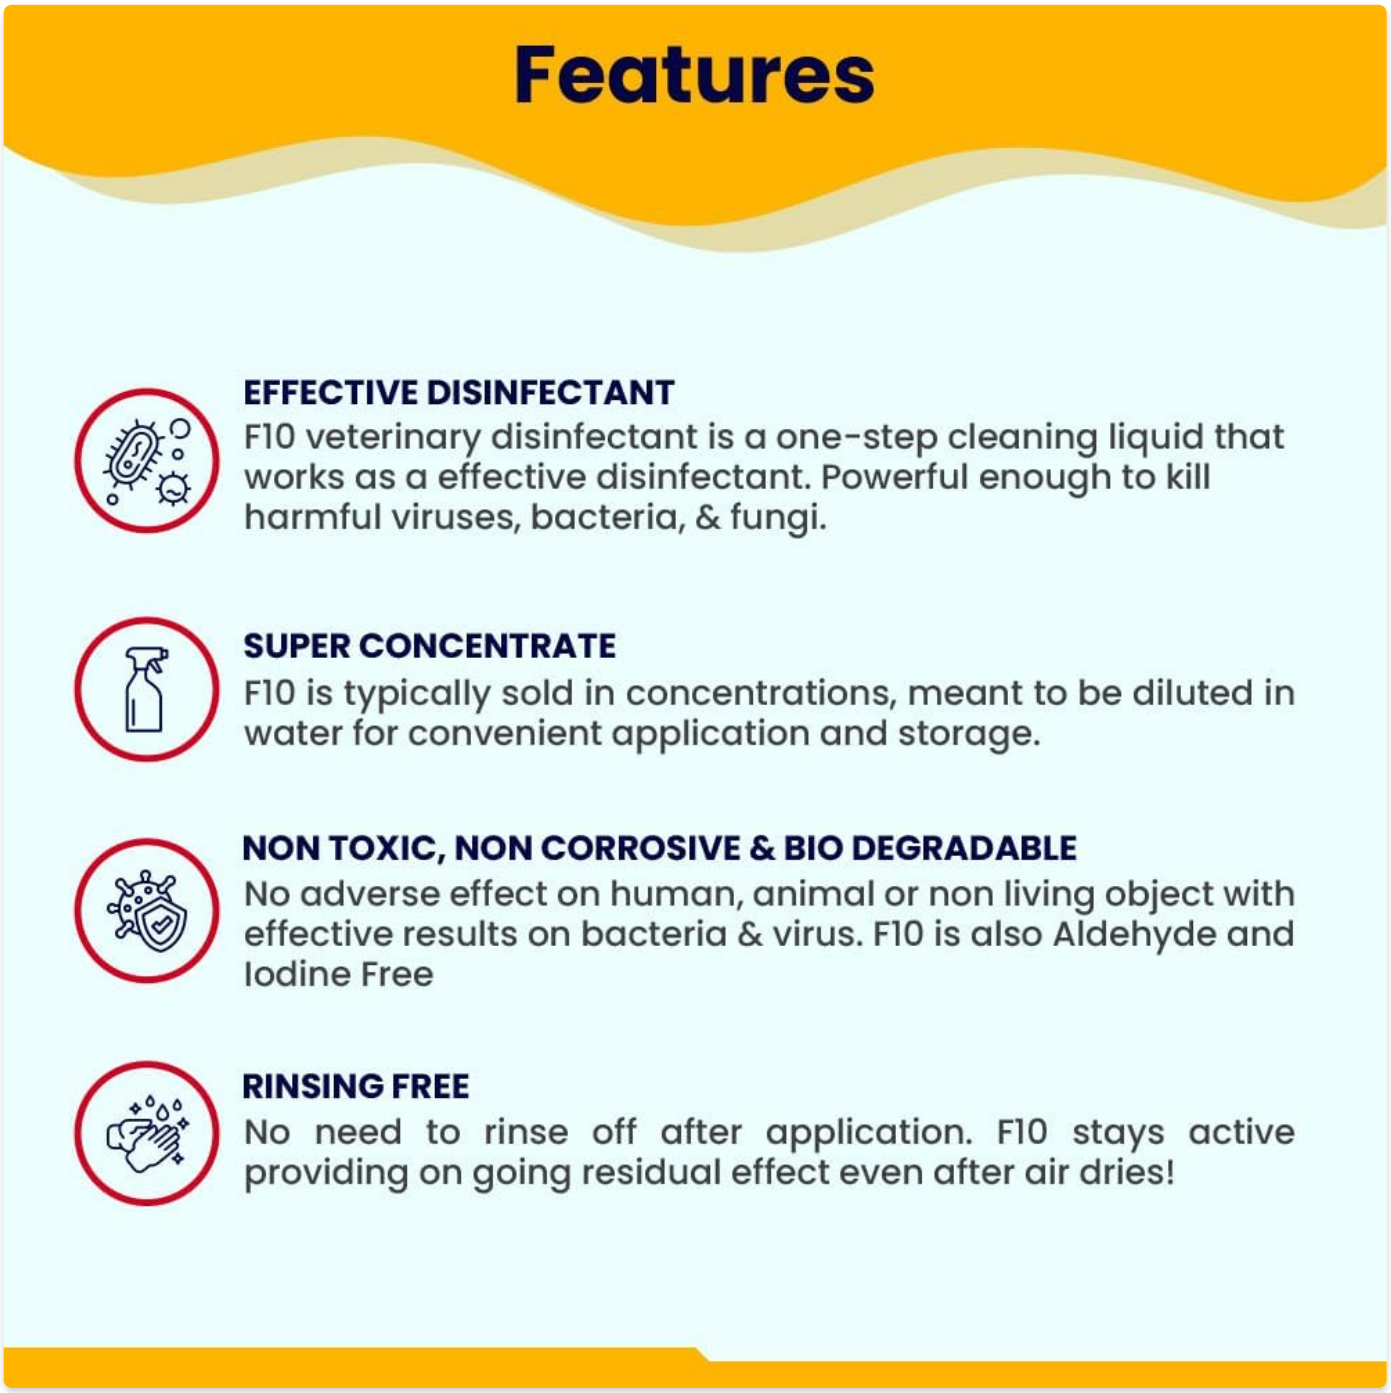

Brand: F10
Model: 200 ml (6.8oz)

Introduction

F10 SC Concentrated Veterinary Disinfectant & Cleaner is a powerful, broad-spectrum disinfectant designed for use in various animal environments. It effectively kills harmful viruses, bacteria, and fungi, ensuring a clean and safe habitat for animals. This manual provides detailed instructions for its proper use and handling.

Key Features

- **ONE SIMPLE STEP:** Dilute the super concentrated disinfectant per liter of water (as per dilution ratio mentioned in the description), apply to hard, non-porous surfaces with a cloth, mop, sponge, spray bottle, pump sprayer, or floor scrubber & leave to dry. NO NEED TO RINSE OFF AFTER APPLICATION, EFFECTIVE EVEN AFTER AIR DRIES!
- **EFFECTIVE DISINFECTANT:** F10 floor disinfectant solution is a one-step cleaning liquid that works as an effective disinfectant. Powerful enough to kill harmful viruses, bacteria, & fungi.
- **VERSATILE APPLICATION:** F10 veterinary disinfectant sanitizer can be used in a wide range of applications — regular Cage cleaning, Floor cleaning, Bird Cage cleaning, Tank cleaning, Reptile Cages cleaning, Rabbit Cage cleaning & for Decontaminating Hands.
- **LONG LASTING PROTECTION:** F10 all purpose disinfection formula is EPA registered liquid concentrate disinfectant which offers long-lasting protection, helping to maintain a hygienic environment for your pets.
- **WIDELY RECOGNIZED:** F10 disinfectant cleaning products are widely recognized as one of the best economical Broad Spectrum disinfectant in the market & is used in many of the world's leading Veterinary Hospitals, Zoological Institutions as well as by leading Reptile, Avian and Exotic Animal Breeders, Keepers & Pet Owners.

This image highlights the core features of F10 SC, including its effectiveness against pathogens, its concentrated form for dilution, its non-toxic and biodegradable nature, and its rinse-free application.

EPA Registration No.79755-6-97189 EPA Establishment No. 079755-ZAF-001
Net Contents 6.8 oz Batch Number:230233

The product bottle's label clearly lists the active ingredients and important safety information, emphasizing the concentrated nature of the disinfectant.

Setup and Operating Instructions

F10 SC is a super concentrated disinfectant that requires dilution before use. Always follow the recommended dilution ratios for optimal effectiveness and safety.

Dilution Ratios:

- For environmental general disinfection: Dilute 1:500 (2 ml / 1 liter water).
- For high-level disinfection (including fungal spores): Dilute 1:250 (4 ml / 1 liter water).
- For resistant viruses and bacterial spores: Dilute 1:100 (10 ml / 1 liter water).
- For sterilization of instruments/equipment: Dilute 1:100 (10 ml / 1 liter water).

Directions for Use:

1. Firstly, clear away any debris from the surface, and rinse with water.
2. Then, add the required amount of F10 concentrated disinfectant liquid to 1 liter of water (refer to dilution ratios above).
3. Spray or wash the surfaces/object using the prepared solution.
4. NO NEED TO RINSE OFF AFTER APPLICATION, EFFECTIVE EVEN AFTER AIR DRIES!

This image illustrates the cost-effectiveness and ease of use of the concentrated F10 SC, demonstrating how a small amount can yield many liters of ready-to-use solution for cleaning large areas.

Multiple Usages

F10 SC is highly versatile and can be used for a wide range of disinfection needs in animal care environments.

- Regular cage cleaning
- Cleaning water bowls
- Floor cleaning
- Kennel cleaning
- Bird cage cleaning
- Perches & toys cleaning
- Hamster cage cleaning

- Decontaminating hands
- Stables, catteries, aviaries, terrariums, habitats, vet practices.

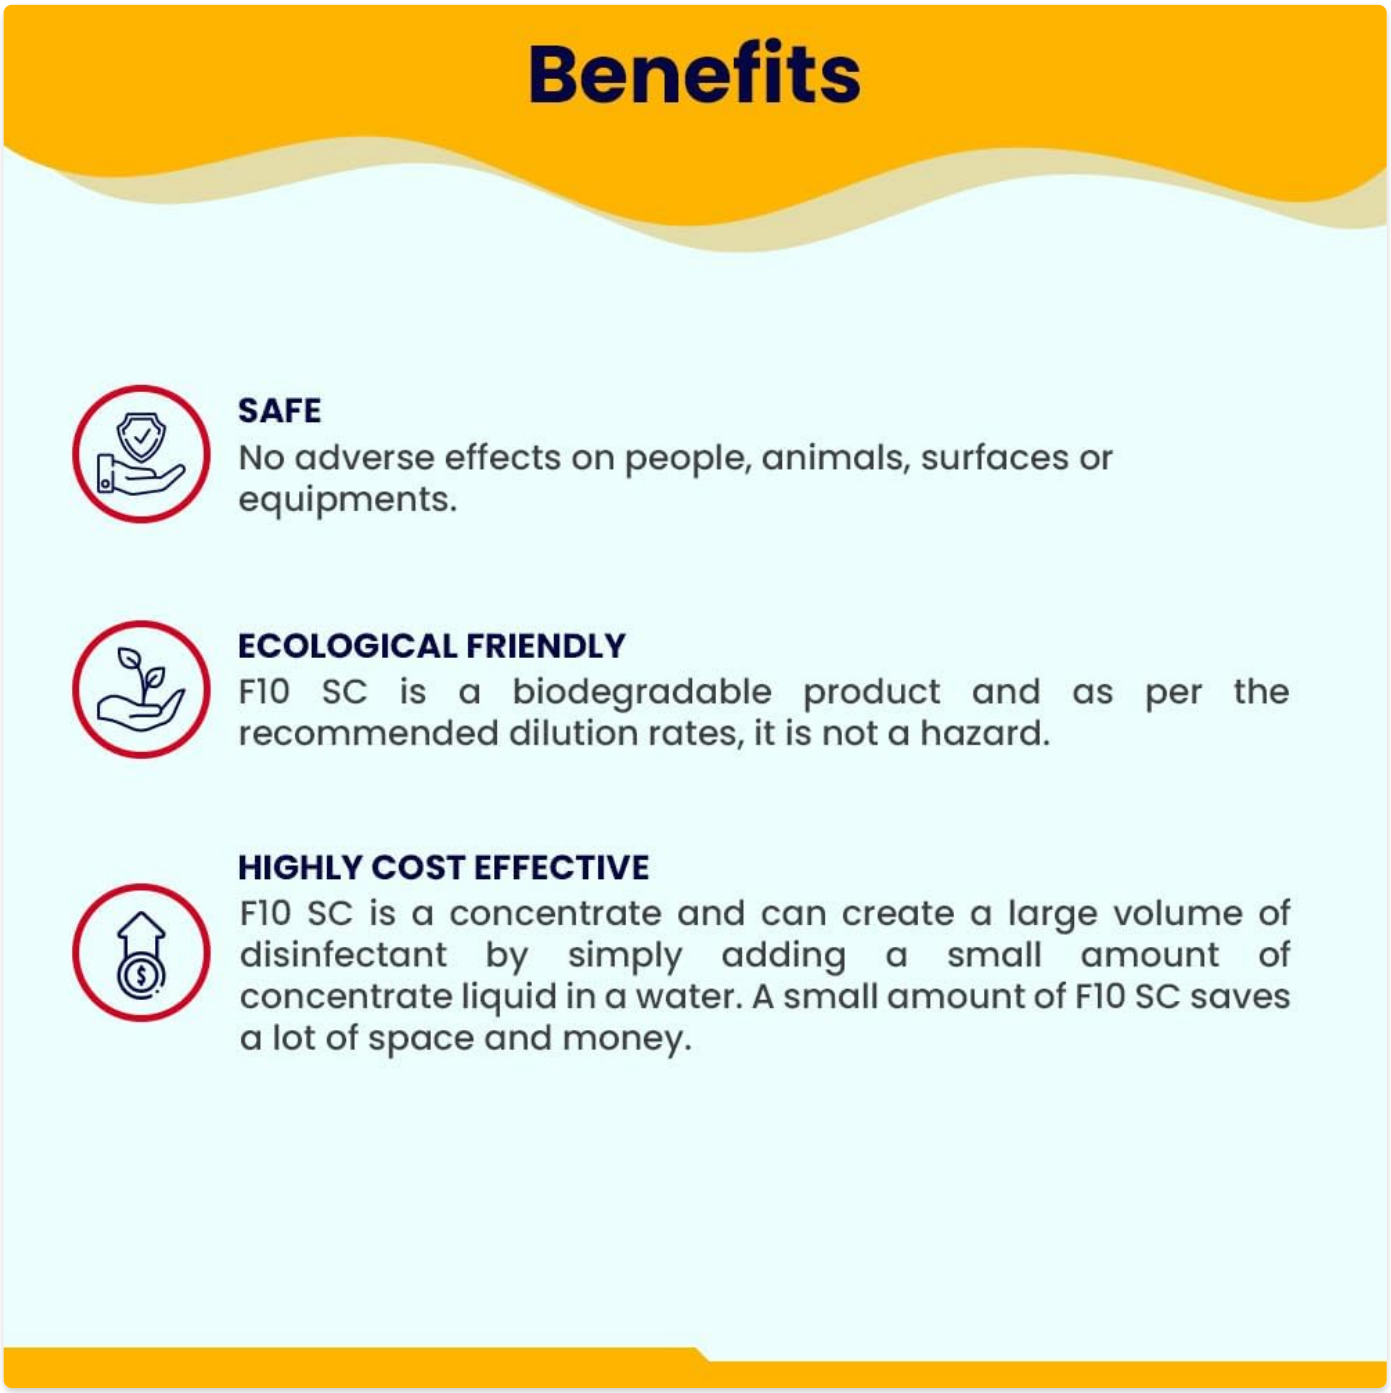

This visual guide demonstrates the extensive utility of F10 products across different settings, from pet owner homes to professional veterinary and research facilities.

Benefits

Beyond its primary function as a disinfectant, F10 SC offers several advantages for users and the environment.

- **Safe:** No adverse effects on people, animals, surfaces or equipment.
- **Ecological Friendly:** F10 SC is a biodegradable product and, as per the recommended dilution rates, it is not a hazard.
- **Highly Cost Effective:** F10 SC is a concentrate and can create a large volume of disinfectant by simply adding a small amount of concentrate liquid in water. A small amount of F10 SC saves a lot of space and money.

This image summarizes the key benefits of using F10 SC, highlighting its safety for living beings, environmental responsibility, and economic value due to its concentrated form.
