# Marvel Captain America Titan Hero 12-Inch Action Figure Instruction Manual

Model: A6700000

## 1. PRODUCT OVERVIEW

---

The Marvel Captain America Titan Hero action figure is a 12-inch collectible and play figure designed for children aged 4 years and up. This figure features Captain America in his iconic blue, red, and white uniform, complete with a shield accessory. It is manufactured by Hasbro under license from Marvel.

Figure of Captain America, approximately 12 inches tall, wearing his classic blue suit with a white star on the chest, red and white stripes on the abdomen, red gloves, and red boots. He holds his iconic red, white, and blue shield in his left hand.

## 2. SETUP AND ASSEMBLY

---

The Captain America Titan Hero figure comes largely pre-assembled. The primary setup involves attaching the shield accessory.

- Unpackaging:** Carefully remove the action figure and its accessories from the packaging.
- Attaching the Shield:** The shield is designed to attach to Captain America's hand. Align the handle on the back of the shield with the figure's hand and gently press until it snaps into place. Ensure it is securely fastened.

*Note:* The shield may require firm but gentle pressure to attach. Avoid excessive force to prevent damage.

## 3. OPERATING THE FIGURE

---

This action figure features multiple points of articulation, allowing for various poses and play scenarios.

- Movable Joints:** The figure's arms, legs, and head are designed to move. Gently rotate or bend these parts to position the figure as desired.
- Standing the Figure:** The figure is designed to stand independently on flat surfaces. Adjust the leg positions for stability.
- Shield Use:** The attached shield can be used as a prop during play. Ensure it remains securely in the figure's hand.

*Caution:* Do not force joints beyond their natural range of motion, as this may cause breakage.

## 4. MAINTENANCE AND CLEANING

---

To ensure the longevity of your Captain America action figure, follow these simple maintenance guidelines:

- Cleaning:** The figure is made of plastic and can be cleaned with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- Drying:** After cleaning, thoroughly dry the figure with a soft cloth. Do not immerse the figure in water for extended periods.
- Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.

## 5. TROUBLESHOOTING

---

| Problem                                | Possible Cause                                | Solution  |
|--|---|---|
| Shield does not stay attached.         | Improper attachment or wear over time.        | Ensure the shield handle is fully inserted into the figure's hand. If wear is significant, the connection may loosen over time. |
| Figure does not stand upright.         | Uneven surface or improper leg positioning.   | Place the figure on a flat, stable surface. Adjust the leg joints to balance the figure.  |
| Joints are stiff or difficult to move. | New figure stiffness or accumulation of dirt. | Gently work the joints back and forth to loosen them. Clean any visible dirt around the joints.                                 |

## 6. SPECIFICATIONS

---

- Model Number:** A6700000

- **Product Dimensions:** 4.02 x 2.01 x 12.01 inches (approximate)
- **Item Weight:** 11.2 ounces
- **Recommended Age:** 4 years and up
- **Material:** Plastic
