Chicco Bed Rail (95 cm) - User Instruction Manual

Model: 07068193390000 - 95 cm Natural

1. INTRODUCTION

Thank you for choosing the Chicco Bed Rail. This product is designed to provide a safe sleeping environment for your child by preventing accidental falls from the bed. It is an essential accessory when transitioning your child from a crib to a standard bed without side rails. This manual provides important information for the correct assembly, use, and maintenance of your Chicco Bed Rail.

Please read this instruction manual carefully before use and keep it for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in serious injury or death.

- This bed rail is approved for children aged 18 months to 5 years.
- Do not use this bed rail for infants under 18 months or children over 5 years.
- Ensure the bed rail is securely fastened to the bed frame and mattress before each use.
- Do not use the bed rail on bunk beds, waterbeds, or beds with inflatable mattresses.
- Ensure there is no gap between the bed rail and the mattress that could trap a child's head or body.
- Regularly check all components for wear and tear. Discontinue use if any part is damaged.
- Keep all packaging materials away from children to avoid suffocation hazards.
- This product is not a substitute for adult supervision. Always supervise your child.

4. SETUP AND INSTALLATION

Follow these steps to correctly install the Chicco Bed Rail:

1. **Positioning the Bed Rail:** Place the bed rail along the side of the bed where you wish to prevent falls. Ensure the base of the bed rail is positioned under the mattress.
2. **Attaching the Securing Straps:** The bed rail features three securing straps. These straps are designed to be easily fastened under the mattress. Locate the straps and extend them across the bed.

3. **Securing to the Mattress:** Pass the straps under the mattress and secure them on the opposite side. Tighten the straps firmly to ensure the bed rail is stable and does not move. There should be no gap between the bed rail and the mattress.
4. **Final Check:** Before allowing your child to use the bed, gently push and pull on the bed rail to confirm it is securely attached and stable.

5. OPERATING INSTRUCTIONS

The Chicco Bed Rail is designed for ease of use and convenience, providing a secure barrier for your child during sleep.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity and safety of your Chicco Bed Rail.

- **Cleaning:** Wipe with a damp cloth. Use mild soap if necessary. Do not use abrasive cleaners or harsh chemicals.
- **Drying:** Allow the bed rail to air dry completely before folding or storing.
- **Inspection:** Regularly inspect all parts, especially the straps and plastic supports, for any signs of wear, damage, or loose connections.
- **Storage:** When not in use, store the bed rail in a clean, dry place away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed rail feels unstable or wobbly.	Straps are not tightened sufficiently.	Ensure all three securing straps are pulled taut and securely fastened under the mattress.
Gap between bed rail and mattress.	Incorrect positioning or loose straps.	Reposition the bed rail closer to the mattress and re-tighten the straps. Ensure the bed rail is compatible with your mattress type.
Bed rail does not fold down smoothly.	Mechanism might be obstructed or dirty.	Check for any obstructions. Clean the folding mechanism area with a damp cloth. Do not force the mechanism.
Visible damage to fabric or frame.	Wear and tear or accidental damage.	Discontinue use immediately. Contact Chicco customer support for assistance or replacement parts.
