Hamilton Beach 04386A

Hamilton Beach TrueAir Compact Air Purifier

MODEL 04386A USER MANUAL

Introduction

This manual provides essential information for the safe and efficient operation of your Hamilton Beach TrueAir Compact Air Purifier. Please read all instructions carefully before use and retain this manual for future reference.

Important Safety Information

To reduce the risk of fire, electric shock, or injury, basic safety precautions should always be followed:

- Read all instructions.
- Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions or has been dropped or damaged in any manner.
- Do not use outdoors.
- Always unplug the air purifier when not in use, before cleaning, or before replacing the filter.
- Do not block air openings or place on a soft surface where openings may become blocked.
- Do not immerse the unit in water or other liquids.

Product Overview

The Hamilton Beach TrueAir Compact Air Purifier is designed to capture 99% of common airborne allergens and particles as small as 3 microns, including pet dander, dust, pollen, and mold spores. Its compact and versatile design allows for placement in various room settings.

Compact, stylish design

Perfect in your office or
in rooms up to 160 sq. ft.

Image: The compact and stylish design of the air purifier, shown in a horizontal position, suitable for various spaces like an office or bedroom.

Setup

Your air purifier can be positioned either vertically or horizontally to best suit your space. Ensure the unit is placed on a stable, level surface.

- **Vertical Placement:** Attach the included stand to the bottom of the unit.
- **Horizontal Placement:** The unit can be placed directly on its side.

Image: The air purifier shown in its vertical orientation, ideal for smaller footprints.

The Hamilton Beach logo, consisting of the words "Hamilton Beach" in a bold, black, sans-serif font, enclosed within a thin black rectangular border.

Image: The air purifier shown in its horizontal orientation, offering flexible placement options.

Once positioned, plug the power cord into a standard electrical outlet.

Operating Instructions

The air purifier features a simple control dial for power and speed settings.

1. **Power On/Off:** Rotate the dial from the 'OFF' position to select a speed setting. To turn off, rotate the dial back to 'OFF'.
2. **Speed Settings:** The unit offers three versatile speed settings:
 - **Whisper Clean:** For quiet operation, suitable for nighttime use.
 - **Medium:** A balanced setting for general air cleaning.
 - **Quick Clean:** For more powerful air cleaning when needed.

3 versatile speed settings

Use quiet setting at night or quick setting for powerful air cleaning

Maintenance

The TrueAir Compact Air Purifier features a permanent HEPA-grade filter that is designed to be easily cleaned, eliminating the need for frequent filter replacements.

1. **Filter Cleaning:** The HEPA-grade filter can be vacuumed clean. Regularly check the filter for dust buildup.
2. **Accessing the Filter:** The filter compartment opens easily. Refer to the product diagram for specific instructions on opening the unit and removing the filter.

Troubleshooting

If your air purifier is not functioning as expected, consult the following common issues and solutions:

Problem	Possible Cause	Solution
Unit does not turn on.	Not plugged in; power dial is off.	Ensure the unit is securely plugged into a working outlet. Rotate the power dial to a speed setting.
Reduced airflow.	Filter is dirty.	Clean the HEPA-grade filter as described in the Maintenance section.
Unusual noise.	Obstruction in fan; unit not stable.	Check for any foreign objects near the fan. Ensure the unit is on a stable, level surface.

Specifications

- **Model Number:** 04386A

- **Brand:** Hamilton Beach
- **Color:** Black
- **Product Dimensions:** 6"D x 8.5"W x 13.54"H
- **Item Weight:** 5.74 Pounds
