Vapamore MR-75

Vapamore MR-75 Amico Handheld Steam Cleaner Instruction Manual

Model: MR-75

INTRODUCTION

This instruction manual provides detailed guidance for the safe and effective use of your Vapamore MR-75 Amico Handheld Steam Cleaner. Please read all instructions carefully before operating the appliance and retain this manual for future reference.

Figure 1: Vapamore MR-75 Amico Handheld Steam Cleaner. This image shows the compact, yellow and gray design of the steam cleaner with its nozzle attached.

SAFETY INFORMATION

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, or injury.

- Do not immerse the appliance, power cord, or plug in water or other liquids.
- Use only distilled water to prevent mineral buildup and ensure optimal performance.
- Do not open the water tank cap while the unit is pressurized or hot. Allow the unit to cool down completely before refilling.
- Keep out of reach of children and pets.
- Always unplug the appliance when not in use and before cleaning or maintenance.
- Do not direct steam at people, animals, or electrical appliances.

PRODUCT COMPONENTS AND ATTACHMENTS

The Vapamore MR-75 Amico comes with 17 unique attachments designed for various cleaning tasks.

Comes With Everything You Need To **DEEP CLEAN YOUR HOME**

Figure 2: Vapamore MR-75 Amico with its comprehensive set of attachments. This image displays the main unit alongside a flexible hose, various brushes (nylon, brass), a scraper, a carpet glider, and a measuring cup, all neatly organized in a carrying bag.

Included Components:

- **Main Unit:** The handheld steam cleaner body.
- **Flexible Hose:** Extends reach for cleaning difficult areas.
- **Nozzle:** Standard steam output.
- **Brass Brush:** For heavy-duty scrubbing on durable surfaces.
- **Nylon Brush:** For general scrubbing on various surfaces.
- **Grout Brush:** Specifically designed for cleaning grout lines.
- **Plastic Brush:** For delicate surfaces.
- **Carpet Glider:** For refreshing and cleaning carpets.
- **Cleaning Pad:** Used with the carpet glider or other attachments for wiping.
- **Extension Tube:** For extended reach.
- **Turbo Pet Tool:** Specialized tool for pet messes and upholstery.
- **Measuring Cup:** For accurate water filling.
- **Carrying Bag:** For convenient storage and transport of the unit and its accessories.

SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Fill Water Tank:** Ensure the unit is unplugged and cool. Unscrew the safety cap. Using the provided measuring cup, fill the water tank with up to 6.7 fluid ounces (200 ml) of distilled water. Do not overfill.
3. **Secure Cap:** Replace the safety cap and twist firmly until it clicks into place.
4. **Attach Accessories:** Select the appropriate attachment for your cleaning task. Align the attachment with the nozzle or flexible hose and push firmly until it locks into place.

THE ULTIMATE

Handheld Steam Cleaner

**Lifetime
Guarantee**

**Lightweight
+ Portable**

**Chemical
Free**

Figure 3: Vapamore MR-75 Amico with the flexible hose attached. This image demonstrates how the hose connects to the main unit, providing extended reach for various cleaning applications.

OPERATING INSTRUCTIONS

1. **Power On:** Plug the power cord into a standard 110-120V AC electrical outlet. The indicator light will turn red, indicating the unit is heating up.
2. **Heat Up Time:** Allow approximately 4 minutes for the unit to heat up. The indicator light will turn green when the steam cleaner is ready for use.
3. **Steam Release:** Press and hold the steam trigger to release steam. For continuous steam, engage the steam lock button.
4. **Cleaning:** Direct the steam towards the surface to be cleaned. Use the selected attachment to agitate dirt and grime. Wipe away loosened debris with a clean cloth.
5. **Refilling:** If the steam output decreases significantly or stops, the water tank may be empty. Unplug the unit and allow it to cool for at least 15 minutes before attempting to refill. The safety cap will not open if the unit is still pressurized.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Vapamore MR-75 Amico.

- **Empty Water Tank:** After each use, ensure the unit is unplugged and completely cool. Carefully unscrew the safety cap and empty any remaining water from the tank.
- **Clean Attachments:** Wash attachments with warm, soapy water and rinse thoroughly. Allow them to air dry completely before storing.
- **Wipe Down Unit:** Wipe the exterior of the steam cleaner with a damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the steam cleaner and all attachments in the provided carrying bag in a cool, dry place.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No steam output	Unit not plugged in; Water tank empty; Unit not heated sufficiently; Safety cap not secured.	Ensure unit is plugged in; Refill water tank (after cooling); Wait for green indicator light; Secure safety cap.
Weak steam output	Low water level; Mineral buildup.	Refill water tank (after cooling); Descale the unit (refer to Vapamore support for descaling instructions).
Water leaking from nozzle	Overfilled water tank; Unit not fully heated.	Do not overfill; Wait for green indicator light before use.
Safety cap cannot be opened	Unit is still pressurized/hot.	Unplug the unit and allow it to cool completely (at least 15 minutes).
