Sunbeam Royal Posh Velvet Heated Blanket Instruction Manual

Model: BSV9GFS-R772-12A44

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using your Sunbeam Royal Posh Velvet Heated Blanket. Failure to follow these instructions may result in electric shock, fire, or injury.

- Do not use with infants, children, incapacitated persons, or persons insensitive to heat.
- Do not use with an extension cord.
- Do not use with damaged cords or plugs.
- Never plug in your heated blanket while damp.
- Ensure the controller is always placed in a position where it will not be covered by the blanket or other bedding.
- Always disconnect the power cord from the wall outlet before cleaning.

2. PRODUCT OVERVIEW

The Sunbeam Royal Posh Velvet Heated Blanket provides customizable warmth with advanced safety features. It features a soft velvet fabric and an easy-to-use digital controller.

3. SETUP INSTRUCTIONS

1. **Unpack the Blanket:** Carefully remove the heated blanket from its packaging.
2. **Position the Blanket:** Lay the blanket flat on your bed, ensuring it is evenly spread and not bunched up. The connector for the controller should be positioned at the foot of the bed or in a convenient location for access.
3. **Connect the Controller:** Locate the connector on the blanket. Align the digital controller's plug with the blanket's connector and push firmly until it clicks into place. Ensure a secure connection.
4. **Plug into Power:** Plug the power cord from the controller into a 120V AC electrical wall outlet. Do not use an extension cord.

Video 1: Overview of the Sunbeam Royal Posh Heated Blanket, demonstrating its features and ease of use.

4. OPERATING INSTRUCTIONS

1. **Power On/Off:** Press the power button on the digital controller to turn the blanket on or off. The LED display will illuminate.
2. **Adjust Heat Settings:** Use the '+' and '-' buttons to select your desired heat level. The blanket offers 12 heat settings, from gentle warmth to maximum heat. The current setting will be displayed on the LED screen.
3. **Set Auto Shut-Off Timer:** Press the timer button to cycle through the available auto shut-off times (1 to 12 hours). The blanket will automatically turn off after the selected duration, providing peace of mind and energy efficiency.
4. **LED Display:** The LED display dims after 10 seconds of inactivity to minimize light disturbance during the night. It will brighten again when any button is pressed.

5. MAINTENANCE AND CARE

Proper care ensures the longevity and performance of your heated blanket.

1. **Disconnect Controller:** Before washing, always detach the digital controller from the blanket.
2. **Washing:** Machine wash the blanket in cold water on a gentle cycle. Do not use bleach.
3. **Drying:** Tumble dry on a low heat setting. Ensure the blanket is completely dry before reconnecting the controller or storing. Do not iron.
4. **Storage:** Store the blanket in a cool, dry place. Avoid folding it tightly or placing heavy objects on it, which could damage the internal wiring.

EASY CARE

Machine washable
and dryer safe

6. TROUBLESHOOTING

- **Blanket Not Heating:**
 - Ensure the power cord is securely plugged into a working wall outlet.
 - Verify that the controller is firmly connected to the blanket. An 'F1' error code on the controller often indicates a loose connection.
 - Check if the auto shut-off timer has expired.
- **Uneven Heating:**
 - Ensure the blanket is spread evenly on the bed and not folded or bunched up.
 - If the issue persists, contact customer support.
- **Controller Displaying Error Code:**
 - If an error code (e.g., F1) appears, unplug the blanket from the wall outlet and disconnect the controller from the blanket. Reconnect everything securely and plug it back in. If the error persists, contact customer support.

7. SPECIFICATIONS

Feature	Detail
Brand	Sunbeam
Model Name	Royal Posh Heated Blanket
Item Model Number	BSV9GFS-R772-12A44
Size	Full (84" x 72")
Color	Champagne
