S32 S-32

S-32 S32 Spot Stain Remover

Model: S-32 | Brand: S32

Product Overview

The S-32 Spot Stain Remover is a versatile solution designed for safely removing stubborn spots and stains from various materials. It is suitable for both commercial and household needs.

Image: Front of S-32 Spot Stain Remover bottle, highlighting the product name and primary uses.

This 15.2-ounce liquid formula is effective on a wide range of stains, including grease, baby formula, oil, blood, perspiration, medicines, tar, lipsticks, shoe polish, cosmetics, most inks, crayon, pencil, smoke film, pet stains, beverages, food juices, glue, adhesives, tobacco, and mildew stains. It is ammonia-free and bleach-free.

Safety Information

CAUTION: HARMFUL IF SWALLOWED. EYE IRRITANT.

- **DO NOT TAKE INTERNALLY:** Keep out of reach of children.
- **IF SWALLOWED:** Give water or milk. Call a physician immediately.
- **IN CASE OF EYE CONTACT:** Flush with water. Call a physician immediately.
- **NON-FLAMMABLE:** This product is non-flammable.
- **INGREDIENTS:** Contains Tri-Sodium Tripolyphosphate and Sodium Tripolyphosphate.
- **LIABILITY:** Liability is limited to the purchase price of this product.

Usage Instructions

Always test for color fastness on an inconspicuous area before full application.

1. As a Quick Stain Remover

1. Apply S-32 full strength directly to the soiled area.
2. Rub in thoroughly.
3. Rub out with a clean, damp cloth.
4. Allow to dry.

2. As a Pre-Wash or Dry Cleaning Stain Remover

1. Apply S-32 full strength to the soiled area.
2. Rub into the fabric.
3. Place the garment into normal wash or dry cleaning cycles.
4. **Note:** Do not use on suede or silk.

3. For Gum and Stubborn Stains

1. Apply S-32 to the spots.
2. Let soak for 4 hours.
3. Some spots and stains may require additional soaking.
4. For gum, apply S-32 liberally into the fabric; the gum will ball up into small pieces for easy removal.

Care and Maintenance

Store the S-32 Spot Stain Remover in a cool, dry place, away from direct sunlight and heat. Ensure the cap is tightly closed after each use to prevent evaporation and maintain product efficacy. Keep the product upright to avoid leaks.

Troubleshooting

If a stain persists after initial treatment, reapply S-32 and allow for a longer soaking period before re-washing. For extremely old or set-in stains, multiple applications and washes may be necessary. Always ensure the fabric is not dried between attempts, as drying can set stains permanently.
If you encounter unexpected discoloration or damage to the fabric, discontinue use immediately and consult a professional cleaner. Ensure you have performed a colorfastness test as instructed in the Usage section.

Specifications

Brand	S32
Model	S-32
Item Form	Liquid

Unit Count	16 Fluid Ounces
Scent	Lemon
Material Type Free	Ammonia Free, Bleach Free
Package Dimensions	8.27 x 2.4 x 2.4 inches
