OttLite 438PN9

OttLite 2-in-1 LED Magnifier and Table Light Instruction Manual

Model: 438PN9 | Brand: OttLite

INTRODUCTION

The OttLite 2-in-1 LED Magnifier and Table Light is designed to provide optimal illumination and magnification for various tasks, including crafting, reading, and detailed work. This versatile lamp features 30 super bright Natural Daylight LEDs and optical-grade magnifiers, offering clear vision and reduced eye strain. Its unique design allows for easy conversion between a floor lamp and a table-top model, providing flexibility for your workspace.

PRODUCT FEATURES

- **2-in-1 Design:** Easily converts from a floor lamp to a table lamp, offering adaptable lighting solutions for different environments.
- **Powerful Illumination:** Equipped with 30 Super Bright Natural Daylight LEDs, providing up to 240 lumens of clear, bright light.
- **Optical-Grade Magnification:** Features a 5-inch 2X optical-grade magnifier with an integrated 4X spot viewer, ideal for intricate tasks.
- **Energy Efficient:** OttLite Natural Daylight LEDs are rated for up to 40,000 hours of use, ensuring long-lasting performance with minimal energy consumption.
- **Reduced Glare & Eyestrain:** Designed to provide superb brightness with reduced glare, minimizing eye fatigue during extended use.
- **Integrated Handle:** A rugged built-in handle allows for easy positioning and adjustment of the magnifier head.

PACKAGE CONTENTS

Please ensure all components are present before assembly:

- Magnifier Lamp Head with Flexible Gooseneck
- Floor Lamp Pole Sections (if applicable for floor lamp configuration)
- Heavy-Duty Base
- Table Lamp Conversion Kit (includes shorter pole section and base adapter)

- Power Cord
- Bulb (integrated LED, not replaceable)

SETUP AND ASSEMBLY

The OttLite 2-in-1 LED Magnifier and Table Light requires minimal assembly. It can be configured as either a floor lamp or a table lamp.

Floor Lamp Assembly:

1. Carefully unpack all components from the box.
2. Screw the longest pole section into the heavy-duty base until secure.
3. Attach the magnifier lamp head with the flexible gooseneck to the top of the assembled pole section. Ensure it is firmly connected.
4. Place the lamp on a stable, flat surface.

Image: A diagram illustrating the adjustable height feature of the lamp, ranging from 39.5 inches to 56.5 inches.

Table Lamp Conversion:

1. To convert to a table lamp, detach the magnifier lamp head from the floor lamp pole.
2. Locate the shorter pole section and the table lamp base adapter from the conversion kit.
3. Screw the shorter pole section into the table lamp base adapter.
4. Attach the magnifier lamp head to the top of the assembled shorter pole section. Ensure it is firmly connected.
5. Place the table lamp on a stable, flat surface.

2 Configurations

Floor lamp easily converts to a table lamp

Once assembled, plug the power cord into a standard electrical outlet (220 Volts).

OPERATING INSTRUCTIONS

- 1. Power On/Off:** Locate the push button switch on the magnifier lamp head. Press the button once to turn the light on, and press it again to turn it off.
- 2. Adjusting Light Position:** The lamp features a flexible gooseneck. Gently bend and position the magnifier lamp head to direct the light and magnification precisely where needed. The integrated handle on the magnifier head can be used for easy adjustment.
- 3. Using Magnification:** The large 5-inch lens provides 2X magnification. For finer details, use the integrated 4X spot viewer located within the main lens. Position your work directly under the magnifier for optimal clarity.

MAINTENANCE

To ensure the longevity and optimal performance of your OttLite lamp, follow these simple maintenance guidelines:

- Cleaning:** Disconnect the lamp from the power outlet before cleaning. Use a soft, dry cloth to wipe down the lamp's exterior. For the magnifier lens, use a lens cleaning cloth or a soft, lint-free cloth with a small amount of glass cleaner. Avoid abrasive cleaners or solvents.
- LED Longevity:** The integrated LEDs are designed to last up to 40,000 hours and do not require replacement.
- Storage:** When not in use for extended periods, store the lamp in a clean, dry place away from extreme temperatures.

TROUBLESHOOTING

If you encounter any issues with your OttLite lamp, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Lamp does not turn on.	Not plugged in; power outlet issue; switch malfunction.	Ensure the power cord is securely plugged into a working electrical outlet. Test the outlet with another device. Press the power button firmly.
Light is dim or flickers.	Unstable power connection; internal component issue.	Check power connections. If the problem persists, contact customer support. (Note: LEDs are not user-replaceable).
Magnifier lens is blurry or unclear.	Dust or smudges on the lens.	Clean the magnifier lens with a soft, lint-free cloth and a suitable lens cleaner.
Lamp is unstable.	Improper assembly; uneven surface.	Ensure all pole sections are securely screwed together and the base is on a flat, stable surface.

SPECIFICATIONS

Attribute	Detail
Model Number	438PN9
Brand	OttLite
Product Dimensions	1.63"D x 18"W x 16.19"H
Item Weight	1.5 Pounds
Lamp Type	Floor Lamp (convertible to Table Lamp)
Color	Black
Shade Color	Black
Finish Type	Opaque
Switch Type	Push Button
Light Source Type	LED
Number of Light Sources	1 (integrated LED array)
Wattage	5 watts
Brightness	240 Lumens
Voltage	220 Volts
Material	Acrylonitrile Butadiene Styrene, Glass, Metal
Mounting Type	Floor Mount, Tabletop
Assembly Required	Yes
UPC	761712008738

WARRANTY AND SUPPORT

This OttLite product is covered by a **2-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use.

For warranty claims, technical support, or any questions regarding your OttLite 2-in-1 LED Magnifier and Table Light, please contact OttLite customer service. Refer to the official OttLite website or product packaging for the most current contact information.
