Melissa & Doug 9168

Melissa & Doug K's Kids Pull-Back Town Vehicle Set User Manual

Model: 9168

INTRODUCTION

The Melissa & Doug K's Kids Pull-Back Town Vehicle Set is designed to introduce young children to motion, cause-and-effect play, and hands-on exploration. This set includes four soft vehicles: a school bus, a family car, a fire truck, and a police car. Each vehicle is sized appropriately for small hands to grasp, pull back, and release, promoting active play and developmental skills.

SETUP

This product requires no assembly. The vehicles are ready for play directly out of the packaging. Simply remove the vehicles from their clear carrying case.

“They were an instant hit. They are soft, yet durable, and I like the fact that the wheels come off so you can wash it. Pretty, bright colors, and perfect size for their little hands!”

—Alicia

OPERATING INSTRUCTIONS

The K's Kids Pull-Back Town Vehicles operate using a simple pull-back mechanism. To activate a vehicle:

1. Place the vehicle on a flat, smooth surface.
2. Grasp the vehicle firmly and pull it backward along the surface.
3. Release the vehicle to watch it zoom forward.

This action helps strengthen fine motor skills and introduces children to the concept of cause and effect. The soft fabric exteriors make them safe for active play.

4
Vehicles

Includes soft, lightweight vehicles that are easy for young children to lift and roll

MAINTENANCE

The Melissa & Doug K's Kids Pull-Back Town Vehicles are designed for easy cleaning. The fabric exteriors are surface washable, and the wheel inserts are removable.

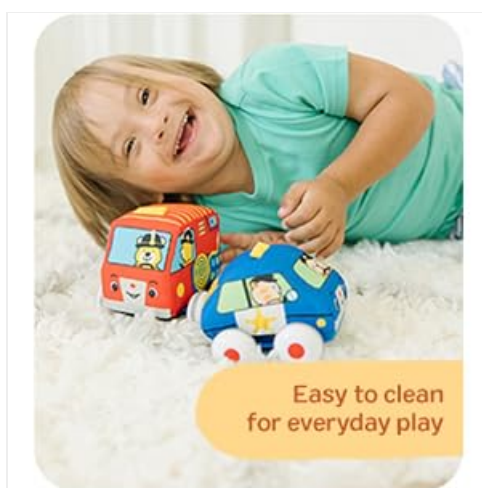

Cleaning Instructions:

1. Carefully detach the fabric vehicle body from the plastic wheel base. The fabric is secured with hook-and-loop fasteners (Velcro).
2. Surface wash the fabric vehicle body with mild soap and water. Allow to air dry completely.
3. Wipe the plastic wheel base clean with a damp cloth.
4. Once both parts are dry, reattach the fabric body to the wheel base, ensuring the hook-and-loop fasteners are securely aligned.

Caution: Do not leave in crib unattended.

Easy to clean
for everyday play

Image: The vehicles are easy to clean for everyday play.

- These vehicles are designed for durability and simple operation. If you encounter any issues, consider the following:
- **Vehicle Not Rolling:** Ensure the pull-back mechanism is fully engaged by pulling the vehicle backward firmly before releasing. Check that the wheels are free from obstructions and can spin freely.
 - **Reduced Performance:** Over time, debris or lint may accumulate around the wheel axles. Clean the wheel area thoroughly. Ensure the play surface is smooth and clean for optimal rolling.
 - **Damage to Fabric:** If the fabric body becomes torn or damaged, discontinue use to prevent choking hazards from loose parts.

SPECIFICATIONS
