## Paula's Choice C15 Super Booster

# Paula's Choice BOOST C15 Super Booster

## OFFICIAL INSTRUCTION MANUAL

### Product Overview

The Paula's Choice BOOST C15 Super Booster is a potent 15% Vitamin C serum designed to enhance skin brightness, improve the appearance of wrinkles, and boost overall radiance. Formulated with Vitamin E and Ferulic Acid, this fragrance-free serum targets discoloration and promotes a more even skin tone.

- **15% Pure L-Ascorbic Acid:** Gently brightens skin, improves the appearance of wrinkles, and boosts glow.
- **Ferulic Acid:** An antioxidant that helps defend against visible signs of aging, protects skin from environmental damage, and works synergistically with Vitamins C & E for a brighter, more youthful complexion.
- **Ergothioneine:** A powerful antioxidant that supports skin by protecting against oxidative stress and enhancing the effectiveness of Vitamin C.
- **Formulated for All Skin Types:** This gentle face serum is suitable for all skin types, including sensitive skin, to improve discoloration and promote a more even skin tone.

### How to Use

For optimal results, follow these application instructions:

1. Dispense 2-3 drops into the palm of your hand.
2. Apply evenly to your face. If also applying to your neck and chest, use a couple more drops.
3. This booster can be used on its own or mixed into your favorite moisturizer or serum.
4. Apply after cleansing, toning, and exfoliating steps in your skincare routine.
5. For daytime use, always finish with a broad-spectrum sunscreen rated SPF 30 or greater.
6. Can be applied under the eye area, avoiding direct contact with the eye itself.

## When to Apply

Use after cleansing, toning & exfoliating, up to twice daily. Always finish with sunscreen for daytime.

### Step 4: Treatment

## Key Ingredients

The C15 Super Booster features a powerful blend of ingredients to deliver its brightening and anti-aging benefits:

- **Ascorbic Acid (15% Vitamin C):** A potent antioxidant that visibly brightens skin tone, reduces the appearance of dark spots, and supports collagen production.
- **Ferulic Acid:** An antioxidant that enhances the stability and efficacy of Vitamin C and Vitamin E, while providing additional environmental protection.
- **Tocopherol (Vitamin E):** An antioxidant that works with Vitamin C to protect the skin from free radical damage and provides moisturizing benefits.
- **Ergothioneine:** A unique amino acid with antioxidant properties that helps protect skin cells from oxidative stress and boosts the overall effectiveness of Vitamin C.
- **Sodium Hyaluronate:** A form of hyaluronic acid that attracts and holds moisture, helping to hydrate and plump the skin.
- **Panthenol (Vitamin B5):** Known for its soothing and moisturizing properties, it helps improve skin hydration and elasticity.

### Key Ingredients That Make the Difference

**15% Vitamin C**  
Visibly brightens tone.

**Ferulic Acid**  
Boosts stability + protects against discoloration.

**Ergothioneine**  
Boosts efficacy for advanced results.

## Packaging

The Paula's Choice C15 Super Booster is packaged with careful consideration for ingredient stability and efficacy:

- The serum is housed in an opaque glass bottle to protect the light-sensitive formula from degradation.
- An air-restricting dropper is utilized to minimize exposure to air, preventing the active ingredients from breaking down over time and ensuring product potency.

## Important Considerations

**Patch Test Advisory:** We carefully formulate our products without artificial dyes or fragrances to minimize the risk of sensitivity. To ensure this is the right product for you, please always patch test and note your

skin's response over the next 48 hours prior to full use. Apply a small amount to an inconspicuous area of skin, such as behind the ear or on the inner forearm, and observe for any adverse reactions.

**Storage:** Store at 20–25°C (68–77°F). Keep out of direct sunlight to maintain product efficacy.
