## Diversey 94995295

# Diversey Emerel Multi-Surface Creme Cleanser (Model 94995295)

User Manual

## INTRODUCTION

---

The Diversey Emerel Multi-Surface Creme Cleanser, Model 94995295, is a specialized cleaning product designed for effective removal of stubborn stains across various surfaces. Its mild acid and abrasive formula ensures thorough cleaning without causing damage. This manual provides essential information for safe and effective use of the product.

## SAFETY INFORMATION

---

Before using this product, please read and understand all safety precautions. Failure to follow these instructions may result in injury or product damage.

- **Keep out of reach of children and pets.**
- **Wear protective gloves and eye protection** during handling and application to prevent skin and eye irritation.
- **Do not ingest.** If swallowed, seek immediate medical attention.
- **Avoid prolonged skin contact.** Wash hands thoroughly after use.
- **Use in a well-ventilated area.**
- **Do not mix with other cleaning products**, especially those containing bleach or ammonia, as this may produce hazardous fumes.
- Store in a cool, dry place, away from direct sunlight and extreme temperatures.

## SETUP

---

The Diversey Emerel Multi-Surface Creme Cleanser is ready for use directly from the bottle. No dilution is required.

1. Ensure the area to be cleaned is free from loose debris.
2. Shake the bottle gently before each use to ensure consistent product consistency.
3. Open the cap carefully.

## OPERATING INSTRUCTIONS

---

This creme cleanser is effective on a variety of surfaces and for different types of dirt. Always test on an inconspicuous area first.

### General Application

1. Apply a small amount of the creme cleanser directly onto the soiled surface or onto a damp cloth/sponge.
2. Gently rub the surface with the cloth or sponge, using circular motions to work the product into the stain. The thickened creme formula is designed to stay in place, even on vertical surfaces.
3. Allow the product to work for a few moments on stubborn stains, but do not let it dry completely.
4. Rinse the surface thoroughly with clean water. The controlled sudsing formula ensures free rinsing for a clean finish.
5. Wipe dry with a clean cloth for best results.

### Applicable Materials

This cleanser is suitable for use on:

- Ceramic
- Chrome
- Fiberglass
- Glass
- Metal
- Porcelain

### Effective Against

The formula is designed to remove:

- Dirt
- Grease
- Grime
- Mineral Scale
- Scuff Marks
- Soap Scum

## MAINTENANCE AND STORAGE

---

Proper storage ensures the longevity and effectiveness of the product.

- Keep the bottle tightly closed when not in use.
- Store in its original container.
- Store in a cool, dry place, away from direct sunlight and freezing temperatures.
- Do not store near food items or beverages.

## TROUBLESHOOTING

---

If you encounter issues while using the product, consider the following:

Problem	Possible Cause / Solution
Stain not fully removed	Ensure sufficient product was applied. Allow more contact time before scrubbing. For very old or deeply embedded stains, multiple applications may be necessary. Ensure the surface is compatible with the cleanser.
Residue left after rinsing	Rinse more thoroughly with clean water. Ensure the cloth or sponge used for rinsing is clean.
Skin irritation	Always wear protective gloves. If irritation occurs, wash affected area with soap and water. Consult a physician if irritation persists.

## SPECIFICATIONS

---
