Dream On Me Twilight 5-inch 88 Coil Inner Spring Crib & Toddler Mattress Instruction Manual

Model: 80

1. INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your Dream On Me Twilight 5-inch 88 Coil Inner Spring Crib & Toddler Mattress. Please read these instructions thoroughly before use and retain them for future reference.

The Dream On Me Twilight mattress is designed to provide a firm and comfortable sleeping surface for infants and toddlers, featuring an 88-coil innerspring system and a waterproof, stain-resistant cover. It is Greenguard Gold, JPMA, and ASTM Certified for safety.

2. SAFETY INFORMATION

Important Safety Warning: Please ensure mattress covers or fitted sheets are not too tight or too loose over a crib mattress to practice safe sleeping. An improperly fitting sheet can pose a suffocation hazard.

- Always place your baby on their back to sleep.
- Ensure the mattress fits snugly in the crib or toddler bed with no gaps larger than two fingers between the mattress and the bed frame.
- Do not use the mattress if it shows signs of damage or deterioration.
- Keep the mattress away from open flames and other heat sources.
- This mattress is intended for use by infants and toddlers up to a maximum weight of 65 pounds.

3. FEATURES

- **Extra Firm Support:** Designed with an 88 Bonnell coil system and 1-inch fiber padding, providing the firm, stable surface recommended for safe infant sleep.
- **Superior Edge & Center Support:** Reinforced perimeter and balanced coil system ensure consistent support across the entire mattress.
- **Dual Cushion Construction:** Features fiber padding on both sides of the 88-coil innerspring, offering an extra-firm side for infants and a cushioned comfort side for toddlers.

- **Easy-Clean Waterproof Cover:** A sturdy vinyl cover with lock-stitched binding prevents moisture buildup and stains.
- **Integrated Airflow Pocket:** Maintains freshness without the use of metal vents.
- **Certified Safe:** JPMA and GREENGUARD Gold Certified, independently tested for low chemical emissions and free from toxic fire retardants.

4. SETUP AND INSTALLATION

The Dream On Me Twilight mattress is designed for immediate use upon unboxing. No assembly is required.

1. Remove the mattress from its packaging.
2. Place the mattress into a standard full-size crib or toddler bed frame. Ensure the mattress fits securely within the frame.
3. For infants, ensure the firmer side of the mattress is facing up. For toddlers, the cushioned side can be used for added comfort.
4. Cover the mattress with a properly fitting crib sheet.

5. USAGE

The Dream On Me Twilight mattress is designed for use in standard full-size cribs and toddler beds. Its dual-sided design allows for optimal support as your child grows.

- **Infant Side:** The firmer side is recommended for newborns and infants to provide the necessary support for their developing bodies and to reduce the risk of SIDS.
- **Toddler Side:** The slightly softer, cushioned side can be used for toddlers who may prefer a more comfortable sleeping surface.

6. MAINTENANCE AND CARE

Proper care will extend the life of your mattress and ensure a hygienic sleeping environment for your child.

- **Cleaning:** The waterproof vinyl cover can be easily wiped clean with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners. Allow the mattress to air dry completely before placing sheets back on.
- **Rotation:** To maintain the mattress's shape and performance, flip and rotate it every 2 to 3 months. This helps distribute wear evenly.
- **Storage:** If storing the mattress, ensure it is clean and dry. Store it flat in a cool, dry place away from direct sunlight and extreme temperatures.
