LEGO 41039

LEGO Friends Sunshine Ranch 41039 Instruction Manual

Brand: LEGO | Model: 41039

1. Product Overview

The LEGO Friends Sunshine Ranch 41039 set invites builders to join Mia and Liza for a fun-filled horseback riding adventure. This comprehensive set features a detailed ranch building with stables, an outdoor seating area, a toilet, a bathroom, a bedroom, and a small kitchen equipped with a stove and a single bed. Additional elements include a tree, a purple bench, a hen house, and a dedicated area for bunnies.

The set includes Mia and Liza mini-doll figures, along with a variety of cute ranch animals: two horses, a foal, two bunnies, a cat, and a hen. Accessories such as eggs, a wheelbarrow, carrots, and horse grooming tools enhance the play experience. The ranch building features interactive details like opening doors and windows, and a roof that opens for easy access to the interior. The completed ranch measures over 8 inches (22cm) high, 9 inches (25cm) wide, and 5 inches (13cm) deep.

2. Assembly Instructions

Assembly of the LEGO Friends Sunshine Ranch 41039 is designed to be an engaging and rewarding experience. The set contains 721 pieces and is suitable for ages 6-12. Follow the step-by-step instructions provided in the included building guides.

1. **Unpack and Sort:** Carefully open the box and sort the LEGO bricks into numbered bags. It is recommended to open one numbered bag at a time as instructed in the manual to avoid mixing pieces.
2. **Follow the Manual:** Refer to the detailed instruction manuals. Each manual corresponds to specific numbered bags, guiding you through the construction of different sections of the ranch.
3. **Connect Pieces Securely:** Ensure all bricks are firmly pressed together to create a stable structure.
4. **Build Sections:** Construct the main ranch building, including the stables, living areas, and outdoor features. Pay attention to the placement of interactive elements like doors, windows, and the hayloft mechanism.
5. **Assemble Figures and Animals:** Put together the Mia and Liza mini-doll figures and the various animal

figures (horses, foal, bunnies, cat, hen).

6. **Add Accessories:** Place the smaller accessories such as eggs, carrots, and grooming tools in their designated areas to complete the scene.

3. Operating Instructions

Once assembled, the LEGO Friends Sunshine Ranch offers numerous play possibilities:

- **Horseback Riding Adventures:** Use the Mia and Liza mini-dolls to ride the horses around the ranch.
- **Animal Care:** Engage in grooming the horses, feeding the foal, and caring for the bunnies and hen using the provided accessories.
- **Ranch Life Role-Play:** Utilize the kitchen for preparing meals, the bedroom for rest, and the outdoor seating area for relaxation. The hayloft mechanism allows for interactive play with hay bales.
- **Interactive Features:** Open and close the barn doors and windows, and lift the roof sections to access different parts of the ranch for enhanced play.

4. Maintenance

To ensure the longevity and cleanliness of your LEGO Friends Sunshine Ranch set, follow these maintenance guidelines:

- **Cleaning:** Clean LEGO bricks using a mild soap solution and lukewarm water. Avoid hot water as it may deform the plastic. Rinse thoroughly and air dry.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and warping of the plastic.
- **Handling:** Handle the assembled set with care to prevent pieces from detaching. For long-term display, consider using a stable surface.

5. Troubleshooting

- **Missing Pieces:** If you discover any missing pieces during assembly, please contact LEGO Customer Service directly through their official website.
- **Difficulty Connecting Pieces:** Ensure that pieces are correctly oriented and aligned before applying pressure. If a piece is particularly stubborn, try wiggling it gently or using a brick separator (not included in this set but available separately).
- **Loose Connections:** If parts of the model feel loose, double-check that all connecting bricks are fully pushed together.
