## 1. INTRODUCTION

Thank you for choosing the Keuco 12721010000 Closed Towel Ring. This high-quality, chrome-plated towel ring is designed for aesthetic appeal and practical functionality in your bathroom. Its elegant design with slightly rounded edges and closed form provides a sophisticated touch while offering a convenient place to hang towels. This manual provides essential information for safe installation, proper use, and effective maintenance of your new towel ring.

*Image 1: The Keuco 12721010000 Closed Towel Ring, chrome-plated, installed in a bathroom setting. The ring features a sleek, rectangular design with rounded bottom edges, holding a towel.*

## 2. SAFETY INFORMATION

- Always read and understand all instructions before installation and use.
- Ensure all mounting hardware is securely fastened to prevent the towel ring from falling.
- Do not overload the towel ring beyond its intended capacity.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- If you are unsure about any installation steps, consult a qualified professional.

## 3. PACKAGE CONTENTS

Please check that all components are present and undamaged before beginning installation.

- Keuco 12721010000 Closed Towel Ring (Chrome)
- Mounting hardware (screws, wall anchors)
- Installation template (if included)

## 4. SETUP & INSTALLATION

The Keuco 12721010000 Towel Ring is designed for screw-in installation with hidden fixings, ensuring a clean and seamless appearance. Corrosion-free mounting materials are included.

### Required Tools (Not Included):

- Drill
- Drill bits appropriate for your wall type and anchor size
- Pencil
- Measuring tape
- Level
- Screwdriver

### Installation Steps:

1. **Choose Location:** Select a suitable location on your bathroom wall, ensuring it is at a convenient height and clear of any electrical wiring or plumbing.
2. **Mark Drilling Points:** Use the provided installation template (if available) or carefully measure and mark the two hidden fixing points on the wall. Refer to the dimension diagram for precise measurements. Ensure the marks are level.
3. **Drill Holes:** Using the appropriate drill bit, drill holes at the marked points. The depth and diameter of the holes should match the provided wall anchors.
4. **Insert Wall Anchors:** Insert the wall anchors into the drilled holes until they are flush with the wall surface.
5. **Attach Mounting Plate:** Position the mounting plate (if separate) or the towel ring's base over the wall anchors. Secure it firmly with the screws provided, ensuring a tight fit.
6. **Secure Towel Ring:** Attach the main body of the towel ring to the secured mounting plate/base. The hidden fixings mechanism will ensure a clean finish.
7. **Test Stability:** Gently pull on the installed towel ring to ensure it is securely fastened to the wall before use.

*Image 2: Technical drawing illustrating the dimensions of the Keuco 12721010000 Towel Ring. Key measurements include a width of 240mm, a height of 141mm, and a depth of 27mm from the wall. The spacing between the two mounting holes is 35mm.*

## 5. OPERATION

The Keuco 12721010000 Closed Towel Ring is designed for holding hand towels or small bath towels. Its closed form ensures towels remain neatly in place. The towel ring swivels for convenient access and placement of towels.

- Simply drape your towel over the ring.
- The ring can swivel to adjust the towel's position or to move it out of the way when not in use.

## 6. MAINTENANCE

The chrome-plated surface of your Keuco towel ring is designed to be easy to clean and is anti-static. Regular cleaning will maintain its lustrous finish.

- **Daily Cleaning:** Wipe the surface with a soft, damp cloth to remove dust and water spots.
- **Deep Cleaning:** For more stubborn marks, use a mild, non-abrasive cleaner specifically designed for chrome or bathroom fixtures. Apply the cleaner to a soft cloth, wipe the surface, and then rinse thoroughly with clean water. Dry

immediately with a soft, dry cloth to prevent water spots.

- **Avoid:** Do not use abrasive cleaners, scouring pads, harsh chemicals (e.g., bleach, ammonia-based cleaners), or acidic cleaning agents, as these can damage the chrome finish.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Towel ring feels loose.	Mounting screws are not tight enough or wall anchors are not secure.	Carefully re-tighten the mounting screws. If the anchors are loose, consider using larger anchors or relocating the towel ring.
Chrome finish appears dull or stained.	Water spots, soap residue, or improper cleaning agents used.	Clean with a soft, damp cloth and a mild chrome cleaner. Ensure thorough rinsing and drying after each cleaning. Avoid abrasive materials.
Towel ring does not swivel smoothly.	Accumulation of dirt or mineral deposits in the swivel mechanism.	Clean around the swivel points with a damp cloth. A small amount of silicone-based lubricant (avoid oil-based) can be applied if necessary, but typically not required for this product.

## 8. SPECIFICATIONS
