### Kohler 99001-NA

# KOHLER Verdera 15" W x 30" H Bathroom Medicine Cabinet Instruction Manual

Model: 99001-NA | Brand: Kohler

## PRODUCT OVERVIEW

The KOHLER Verdera medicine cabinet, model 99001-NA, offers a blend of elegant design and practical functionality for your bathroom. This 15" W x 30" H cabinet features a full-overlay mirrored door, a built-in magnifying mirror, and adjustable glass shelves for versatile storage. Its rust-free aluminum construction ensures durability in humid bathroom environments, and the slow-close hinges provide quiet operation.

## IMPORTANT SAFETY INFORMATION

---

Always follow local plumbing and building codes during installation. If you encounter drain or vent piping in the wall cavity during recessed installation, consult a professional. Ensure the cabinet is securely mounted to prevent injury. Do not exceed the maximum weight capacity of 40 pounds.

## SETUP AND INSTALLATION

---

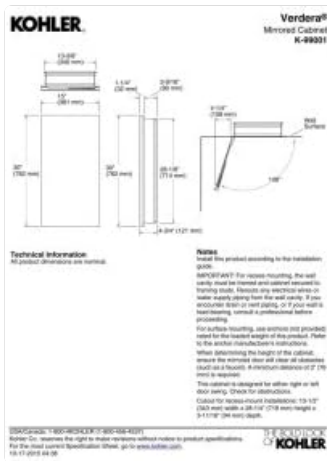

The Verdera medicine cabinet is designed for quick and easy installation, supporting both recessed and surface mount options. The door is reversible for left- or right-hand opening to suit your bathroom layout.

### Installation Types:

- **Recessed Installation:** The cabinet is designed to fit into a wall cavity. A cutout of 13-1/2" W x 29-1/4" H x 3-1/2" D is required.
- **Surface Mount Installation:** For surface mounting, a K-99012 or K-99675 side mirror kit (sold separately) is required to finish the exposed sides of the cabinet.

### Adjustable Shelves:

The cabinet includes three adjustable tempered-glass shelves. These shelves can be positioned at various heights to accommodate items of different sizes, providing flexible storage solutions.

Technical information and installation notes for the KOHLER Verdera Mirrored Cabinet (K-99001).

## OPERATING INSTRUCTIONS

### Slow-Close Door:

The cabinet is equipped with slow-close hinges, designed to prevent the door from slamming shut. This feature ensures quiet operation and extends the life of the cabinet.

### Magnifying Mirror:

A 3x magnifying mirror is integrated on the inside of the door. This mirror is vertically adjustable, allowing users of varying

heights to position it comfortably. It can be folded flat against the door when not in use.

Interior Mirrors:

The cabinet features mirrors on the back of the door and the interior back wall of the cabinet, providing enhanced visibility and convenience.

MAINTENANCE AND CARE

To maintain the appearance and functionality of your KOHLER Verdera medicine cabinet, follow these care instructions:

- **Cleaning Mirrors:** Use a soft, damp cloth and a mild glass cleaner. Avoid abrasive cleaners or harsh chemicals that can damage the mirror surface.
- **Cleaning Aluminum Surfaces:** Wipe with a soft, damp cloth. For stubborn spots, use a mild, non-abrasive cleaner. Dry thoroughly to prevent water spots.
- **Rust Prevention:** The cabinet is constructed from rust-free anodized aluminum, designed for durability in humid bathroom environments. Regular cleaning helps maintain its finish.

TROUBLESHOOTING

If you encounter any issues with your medicine cabinet, please refer to the following common solutions:

- **Door not closing properly:** Check hinges for any obstructions. Ensure the cabinet is level and securely mounted.
- **Shelves not staying in place:** Verify that shelf clips are correctly inserted into the desired holes and that shelves are seated properly.
- **Mirror fogging:** Ensure adequate ventilation in the bathroom. For persistent fogging, consider anti-fog mirror treatments.
