BRINKS 40mm 4-Dial Resettable Sports Padlock Instruction Manual

1. PRODUCT OVERVIEW

The BRINKS 40mm 4-Dial Resettable Sports Padlock is designed for reliable security. Featuring a durable zinc die-cast body and a chrome-plated hardened steel shackle, this padlock offers robust protection for your belongings. Its 4-dial resettable combination mechanism provides keyless convenience and allows you to set your own personalized code.

2. SETTING YOUR COMBINATION

Your padlock is preset to open at 0-0-0-0. To set your own combination, follow these steps:

1. Adjust the dials to 0-0-0-0 to open the lock.
2. Withdraw the shackle to open the lock.
3. Place a coin in the center slot on the bottom of the lock and turn the slot in the direction of the arrow so the circle at the end of the slot aligns with the circle next to the arrow.
4. Adjust the dials to your new combination. Ensure the numbers align with the indicators.
5. Turn the center slot back to its original position.
6. Close the shackle.

The lock will now open with your personal combination. To reset the combination again, repeat steps 2-6.

3. OPERATION

To open the padlock, align the dials to your set 4-digit combination. Once the correct combination is entered, pull up on the shackle to release it. To close the padlock, insert the shackle back into the lock body and scramble the dials to secure it.

4. FEATURES

- **Durable Construction:** 40mm body with zinc die-cast material and a chrome-plated hardened steel shackle for enhanced cut resistance.
- **Resettable Combination:** Easy-to-set and reset 4-dial combination lock for personalized security.
- **High Strength:** Steel shackle offers a cut strength of up to 4000 lbs.
- **Shielded Design:** Round shielded design minimizes shackle exposure, protecting against cutting attempts.

5. USAGE SCENARIOS

This padlock is versatile and suitable for various applications, providing security for:

- School and gym lockers
- Bikes
- Storage containers
- Backpacks
