Coaster Home Furnishings Delphinium 950170 5-Shelf Curio Display Cabinet Instruction Manual

Model: 950170

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Coaster Home Furnishings Delphinium 950170 5-Shelf Curio Display Cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

Important: Always follow basic safety precautions when assembling and using this product to reduce the risk of injury. Refer to the instructions manual for specific safety guidelines.

- Handle all glass components with extreme care. Tempered glass is designed to be durable but can break if subjected to sharp impacts or improper handling.
- Ensure the cabinet is assembled on a soft, clean surface to prevent scratching of components.
- Two people are recommended for assembly due to the weight and size of the components.
- Secure the cabinet to a wall using the provided tip-over restraint system to prevent accidental tipping, especially in households with children or pets.
- Do not overload shelves. Refer to the specifications for weight limits.

3. PARTS LIST

Before assembly, verify that all parts are present and undamaged. The Coaster Home Furnishings Delphinium 950170 Curio Cabinet includes:

- Solid Wood Frame (Black finish)
- Tempered Glass Panels (sides, back, doors, shelves)
- 5 Glass Shelves
- Push-to-Open Door Mechanisms
- Chrome Hardware (hinges, shelf supports)
- Tip-Over Restraint System

- Assembly Hardware (screws, Allen wrench, plastic strips, plastic cushions)

64.25"

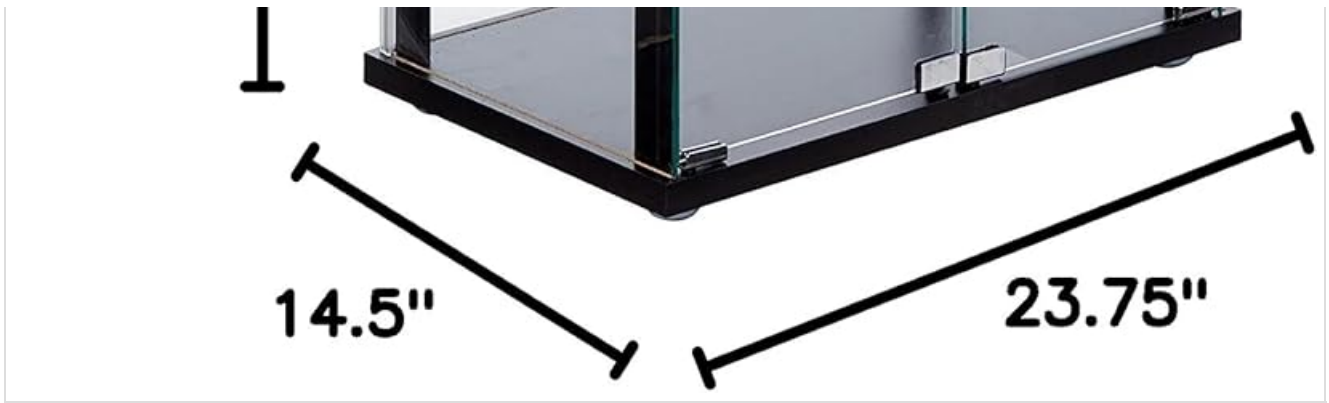

Figure 3.1: Dimensional diagram of the Coaster Home Furnishings Delphinium 950170 Curio Cabinet, showing its height of 64.25 inches, width of 23.75 inches, and depth of 14.5 inches.

4. SETUP AND ASSEMBLY

Assembly requires careful attention to detail. It is highly recommended to have two people for this process. An electric screwdriver (low torque setting) and the included Allen wrench will be useful.

1. **Unpacking:** Carefully unpack all components. Lay glass panels on a soft, flat surface to prevent scratches or breakage.
2. **Base Assembly:** Assemble the base and legs according to the provided diagrams. Ensure all screws are tightened securely but do not overtighten.
3. **Side and Back Panels:**
 - Attach the plastic strips to the edges of the largest glass panel (back panel).
 - Instead of attaching the back panel to the base immediately, take one side panel and fit it into the plastic channel of the back panel, forming an 'L' shape.
 - Then, take the third glass panel (the other side panel) and fit it into the plastic, creating a 'U' shape.
 - Carefully lift this 'U' shaped assembly and set it into the corresponding slots on the assembled base. This method can simplify the process and reduce the risk of glass panels falling.
4. **Top Panel:** Secure the top panel to the assembled frame.
5. **Shelf Supports:** Install the shelf supports at your desired heights. Ensure they are level and securely fastened.
6. **Glass Shelves:** Carefully place the five tempered glass shelves onto the installed supports. Ensure they are seated properly.
7. **Doors:**
 - Attach the push-to-open door mechanisms and hinges to the glass doors. It is easier to attach the lower hinge to the glass door while it is lying flat.
 - Start the screws for the top hinge slightly.
 - Lean the door into the lower hinge point, tilt it up, and then tighten the upper hinge to secure the door.
 - Adjust hinges as needed to ensure doors close and open freely and are level.
 - Apply the small plastic cushions (suction cups) to the inside of the frame where the glass shelves meet the side panels to prevent movement and potential damage.
8. **Tip-Over Restraint:** Install the tip-over restraint system to a wall stud using appropriate hardware. This is a critical safety step.

Figure 4.1: The fully assembled Coaster Home Furnishings Delphinium 950170 Curio Cabinet, displaying various decorative items on its five tempered glass shelves. The black frame and clear glass create a modern aesthetic.

5. OPERATING INSTRUCTIONS

The Delphinium Curio Cabinet features magnetic push-to-open doors for easy access.

- **Opening:** Gently push on the door panel. The magnetic latch will release, allowing the door to swing open.
- **Closing:** Push the door firmly until you hear a click, indicating the magnetic latch has engaged and the door is securely closed.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your curio cabinet.

- **Glass Cleaning:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the glass, to avoid streaks and residue on the wood frame.

- **Wood Frame Care:** Wipe the black wood frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware:** Periodically check all screws and hardware to ensure they remain tight. Tighten as necessary.
- **Shelf Weight:** Do not exceed the recommended weight limit for each shelf (refer to specifications). Distribute weight evenly.

7. TROUBLESHOOTING

- **Doors not closing properly:** Check if hinges are aligned and tightened correctly. Adjust as needed. Ensure no obstructions are preventing the door from fully engaging with the magnetic latch.
- **Glass panels seem loose:** Verify that all plastic strips and cushions are correctly installed and that the frame is securely assembled.
- **Cabinet wobbles:** Ensure the cabinet is on a level surface. Adjust any leveling feet if present. Confirm all assembly screws are tight.

8. SPECIFICATIONS

Brand	Coaster Fine Furniture
Model Name	Delphinium
Item Model Number	950170
Size	5-Tier, 2-Door
Color	Black and Clear
Product Dimensions	14.5"D x 23.75"W x 64.25"H
Item Weight	110 Pounds
Weight Limit	158.4 Pounds (Total)
Number of Shelves	5 (Tempered Glass)
Frame Material	Black Wood
Special Feature	Magnetic Push-to-open Doors
Assembly Required	Yes

9. WARRANTY AND SUPPORT

For warranty information or customer support, please refer to the official Coaster Fine Furniture website or contact their customer service department. Keep your purchase receipt for any warranty claims.

Optional protection plans may be available for purchase separately, such as 3-Year Protection Plan or Complete Protect, offering extended coverage beyond the manufacturer's standard warranty.
