2. Safety Information

Please read and understand all safety precautions before handling the product. Failure to do so may result in damage to the product or personal injury.

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- **Handling:** Handle the diecast car with care to prevent scratches or damage to the metallic finish. Avoid dropping the item.
- **Intended Use:** This product is designed as a collectible and toy. Do not use it for purposes other than its intended design.
- **Supervision:** Adult supervision is recommended for younger users.

3. Setup

The Lightning McQueen diecast car is ready for use directly out of its packaging. No assembly or batteries are required.

1. **Unpackaging:** Carefully remove the diecast car from its blister packaging. It is recommended to use scissors to cut along the edges of the plastic to avoid damaging the product or the packaging if you wish to preserve it.
2. **Inspection:** Before first use, inspect the car for any visible defects or damage that may have occurred during shipping.

4. Operating Instructions

This diecast car is a static model with rolling wheels, designed for display or imaginative play.

- **Rolling Motion:** Place the car on a flat, smooth surface. Gently push the car forward or backward to engage its free-rolling wheels.
- **Display:** The car can be displayed on a shelf, desk, or in a display case. Ensure the display surface is stable to prevent the car from falling.

5. Maintenance and Care

Proper care will ensure the longevity and appearance of your diecast car.

- **Cleaning:** To clean the car, gently wipe it with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the metallic finish and paintwork.
- **Storage:** Store the car in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause fading of the paint.
- **Avoid Impact:** Prevent the car from being dropped or subjected to strong impacts, which can cause dents, chips, or breakage.

6. Troubleshooting

This section addresses common concerns regarding the diecast car.

Problem	Possible Cause	Solution
Paint chipping/scratching	Rough handling, impact, or abrasive cleaning.	Handle with care. Use only soft, dry cloths for cleaning. Store in a protective environment.
Wheels not rolling smoothly	Debris in axle, bent axle, or manufacturing defect.	Check for visible debris and gently remove. If defect, refer to warranty information.
Fading color	Prolonged exposure to direct sunlight.	Store the car away from direct sunlight.
