Goodyear 77821

Goodyear 77821 Dashboard Polish and Restorer, Vanilla, 6-in-1

Instruction Manual

1. INTRODUCTION

Thank you for choosing the Goodyear 77821 Dashboard Polish and Restorer. This 6-in-1 product is designed to clean, polish, protect, and restore the appearance of your vehicle's dashboard, leaving a pleasant vanilla scent. Please read this manual carefully before use to ensure proper application and to achieve the best results.

2. SAFETY INFORMATION

- **Keep out of reach of children and pets.**
- Avoid contact with eyes and prolonged contact with skin. In case of contact, rinse thoroughly with water. If irritation persists, seek medical attention.
- Use in a well-ventilated area to avoid inhaling fumes.
- Do not ingest. If swallowed, do not induce vomiting. Seek immediate medical attention.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.
- Do not use on steering wheels, pedals, or other surfaces where slipperiness could be hazardous.

3. PRODUCT OVERVIEW

The Goodyear 77821 is a versatile dashboard care product formulated to provide multiple benefits in one application. It helps to remove dirt and grime, restore original luster, protect against UV damage, and leave a refreshing vanilla fragrance in your car's interior.

Image 1: Goodyear 77821 Dashboard Polish and Restorer bottle. This image shows the product packaging, a bottle containing the dashboard polish.

4. SETUP AND PREPARATION

1. Ensure your vehicle's dashboard is cool to the touch and out of direct sunlight.
2. Remove any loose dust or debris from the dashboard surface using a soft brush or vacuum cleaner.
3. For heavily soiled dashboards, pre-clean the surface with a suitable interior cleaner and allow it to dry completely.
4. Shake the Goodyear 77821 bottle well before use.

5. OPERATING INSTRUCTIONS

Follow these steps for effective application:

1. Apply a small amount of the Goodyear 77821 Dashboard Polish and Restorer onto a clean, soft microfiber cloth or applicator pad. Do not apply directly to the dashboard.
2. Evenly spread the product over a section of the dashboard surface.
3. Allow the product to dry for a few minutes. The drying time may vary depending on temperature and

humidity.

4. Once dry, use a separate clean, soft, and dry microfiber cloth to gently buff and polish the treated area until the desired shine is achieved.
5. Repeat the process for all dashboard sections.

6. MAINTENANCE

To maintain the effectiveness of the product and prolong its shelf life:

- Always secure the cap tightly after each use.
- Store the bottle upright in a cool, dry place, away from direct sunlight and freezing temperatures.
- Keep the product away from sources of ignition.

7. TROUBLESHOOTING

- **Uneven Finish:** Ensure the product is applied evenly and buffed thoroughly with a clean, dry cloth. Reapply if necessary.
- **Lack of Shine:** Make sure the surface was clean before application. After drying, buff with more pressure using a clean, dry microfiber cloth.
- **Scent Not as Expected:** The vanilla scent is designed to be pleasant, but individual perception may vary. The primary function of the product is polishing and restoring.

8. SPECIFICATIONS

Feature	Detail
Brand	Goodyear
