PlayStation Store Gift Card Digital Code User Manual

MODEL: 93525

Introduction

This manual provides essential information for the use and redemption of your PlayStation Store Gift Card Digital Code. This digital code allows you to easily add funds to your PlayStation Network (PSN) account, which can then be used to purchase a wide variety of content from the PlayStation Store.

The PlayStation Store offers a vast library of digital content, including full games, add-ons, virtual currency, and subscriptions like PlayStation Plus. This digital code provides a convenient and secure way to manage your purchases within the PlayStation ecosystem.

Setup: How to Redeem Your Digital Code

Redeeming your PlayStation Store Gift Card Digital Code is a straightforward process. Please follow these steps carefully to add funds to your PSN account:

- Sign In:** Sign into your PlayStation Network (PSN) account. If you do not have an account, you can create one at playstation.com. Ensure your account is registered in the U.S. and that you are 18 years or older.
- Navigate to Redeem Code:** Once signed in, go to the 'Redeem Code' section on the PlayStation Store. This option is typically found within the account management or store menu.
- Enter Voucher Code:** Carefully enter the 12-digit voucher code provided with your digital gift card. Double-check the code for accuracy before proceeding.
- Confirm Redemption:** Follow the on-screen prompts to confirm the redemption. The funds will then be added to your PSN wallet.
- Purchasing PlayStation Plus (Optional):** To purchase a PlayStation Plus subscription using these

funds, select your desired subscription plan and complete the purchase using your PSN wallet balance.

Your PSN wallet funds can be used by the redeeming account holder and their child Family Member accounts to pay for items available in the PS Store for U.S. account holders.

Operating: Using Your PSN Wallet Funds

Once funds are added to your PSN wallet, you can use them for a variety of purchases on the PlayStation Store. This includes:

- **Games:** Purchase full digital games from the extensive PlayStation Store library.
- **Add-ons and Virtual Currency:** Acquire downloadable content (DLC), expansion packs, in-game items, and virtual currency for your favorite titles.
- **PlayStation Plus Subscriptions:** Use your funds to subscribe to PlayStation Plus, which offers online multiplayer access, monthly free games, exclusive discounts, and more.

The PlayStation Store is accessible via your PlayStation console, the official PlayStation website, or the PlayStation App, allowing you to make purchases conveniently from various devices.

Maintenance and Terms of Use

While a digital code does not require physical maintenance, understanding its terms of use is crucial for proper and secure handling.

- **Non-Returnable and Non-Refundable:** This product is non-returnable and non-refundable. All sales are final.
- **No Cash Redemption:** The code is not redeemable for cash, cannot be returned for cash or credit, and may not be resold, exchanged, or used for any other purpose.
- **Lost or Stolen Codes:** The code will not be replaced if lost, destroyed, stolen, or otherwise used without your permission. Keep your digital code secure.
- **One-Time Use:** This digital code is valid for one-time use only.
- **Applicable Terms:** Use of this code is subject to the Terms of Service and User Agreement and applicable Privacy Policy available at www.playstation.com/legal/PSNTerms. These terms may change without prior notice.

By purchasing and redeeming this digital code, you agree to these terms. If you do not accept these terms, do not purchase the product.

Troubleshooting

If you encounter issues while redeeming or using your PlayStation Store Gift Card Digital Code, consider the following troubleshooting steps:

- **Verify Code Entry:** Double-check that you have entered the 12-digit voucher code correctly. Ensure there are no typos or transposed characters.
- **Internet Connection:** A stable internet connection is required for redemption. Verify your device's internet connectivity.
- **Account Region:** Ensure your PSN account is registered in the U.S., as this code is redeemable only for U.S. accounts.

- **Age Requirement:** Confirm that the PSN account holder is 18 years or older.
- **System Compatibility:** While a digital code, ensure you have a compatible system (PlayStation console) if you intend to download games directly to it, and an internet connection.
- **Previously Redeemed:** Confirm that the code has not been previously redeemed. Digital codes are for one-time use.
- **Contact Support:** If the issue persists after checking the above, please contact PlayStation Support for assistance. Provide them with your digital code and any error messages received.
