Quay P323

Quay Land Rover P323 FSC Wooden Construction Kit User Manual

Model: P323 | Brand: Quay

1. INTRODUCTION

This manual provides detailed instructions for assembling and caring for your Quay Land Rover P323 FSC Wooden Construction Kit. This kit allows you to build a robust wooden model from pre-cut plywood sheets. It offers educational value and an engaging alternative to screen time.

The finished model measures approximately 9 cm (H) x 20 cm (L) x 8 cm (W).

2. SAFETY INFORMATION

WARNING:

- Not suitable for children under 3 years due to small parts. Choking hazard.
- To be used under adult supervision.

3. PACKAGE CONTENTS

Your Quay Land Rover P323 kit includes:

- Pre-cut plywood sheets containing all model components.
- Easy-to-follow numbering system for assembly.

All parts are pre-cut and ready for assembly. No additional tools are typically required for basic construction.

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your wooden Land Rover model:

1. Carefully press out each numbered piece from the plywood sheets.
2. Identify corresponding numbered slots and tabs.
3. Slot the pieces together according to the numbering system. Ensure a snug fit.
4. Continue assembling sections until the model is complete.

A detailed step-by-step guide is available online for visual assistance. You can access it here: quay.info/AER

5. FINISHING AND DISPLAY

Once assembled, your wooden model can be left in its natural wood finish or customized. You may choose to:

- Paint the model using acrylic paints.
- Varnish the model for a protective coating and a glossy finish.

Ensure any paints or varnishes used are suitable for wood and safe for handling, especially if the model is intended for children.

6. MAINTENANCE

To ensure the longevity of your wooden model:

- Keep the model in a dry environment to prevent wood warping or damage.
- Avoid direct sunlight exposure for extended periods to prevent fading or cracking.
- Dust gently with a soft, dry cloth.
