iFrogz IF-ORI-BLK

iFrogz Orion Headphones with Microphone Instruction Manual

Model: IF-ORI-BLK

INTRODUCTION

Welcome to your iFrogz Orion Headphones. This manual provides essential information for the proper setup, operation, and maintenance of your device. Please read these instructions carefully before using your headphones.

PACKAGE CONTENTS

- iFrogz Orion Headphones
- This Instruction Manual

PRODUCT OVERVIEW

The iFrogz Orion headphones are designed for audio playback and communication. They feature a 40mm driver for sound delivery and an integrated in-line remote with a microphone for call and music control. The foldable design enhances portability.

SETUP

Connecting Your Headphones

1. Locate the 3.5mm audio jack on your iFrogz Orion headphones.
2. Insert the 3.5mm audio jack firmly into the compatible audio port of your device (e.g., smartphone, tablet, computer).
3. Ensure the connection is secure for optimal audio performance.

OPERATING INSTRUCTIONS

Audio Playback

Once connected, audio from your device will play through the headphones. Adjust the volume using your device's native volume controls.

Using the In-Line Remote/Microphone

- **Music Control:** Press the single button once to play or pause audio playback.
- **Call Management:** Press the single button once to answer an incoming call. Press it again to end an active

call.

- The integrated microphone allows for hands-free communication during calls.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior surfaces of the headphones. Do not use liquid cleaners, abrasive materials, or solvents, as these may damage the finish or internal components.
- **Storage:** When not in use, fold the headphones for compact storage. Store them in a cool, dry place, away from direct sunlight, excessive heat, or extreme cold.
- **Cable Care:** Avoid sharp bends, kinks, or excessive pulling on the audio cable to prevent internal wire damage.

TROUBLESHOOTING

No Sound

- Ensure the 3.5mm audio jack is fully inserted into both the headphones and the audio source device.
- Check the volume level on your audio source device and ensure it is not muted.
- Test the headphones with a different audio source to determine if the issue is with the headphones or the original device.

Microphone Not Working

- Verify that the headphones are securely connected to your device.
- Check your device's audio settings to ensure the external microphone is selected and enabled.
