LEGO 31015

LEGO Creator 31015 Emerald Express Instruction Manual

Model: 31015

INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your LEGO Creator 31015 Emerald Express set. This 3-in-1 set allows you to construct three different models: a classic steam train, a fast rocket train, or a passenger carriage.

Please ensure all components are present before beginning assembly. Refer to the included pictorial instruction booklet for step-by-step building guidance.

SETUP AND ASSEMBLY

The LEGO Creator 31015 Emerald Express set contains 56 pieces designed for builders aged 6 and up. Follow the instructions provided in the physical booklet included with your set to build your chosen model. The primary model is the Emerald Express steam train, featuring chunky wheels, a funnel, a light, cattle bars, and a driver's cab with windows. The set also offers alternative build instructions for a rocket train and a passenger carriage.

This image displays the packaging for the LEGO Creator 31015 Emerald Express set. The box highlights the primary train model, an Emerald Express steam train, along with two alternative models that can be built from the same pieces: a rocket train and a carriage. The set is designed for ages 6-12 and contains 56 pieces.

Building Options:

- **Emerald Express Steam Train:** The main model, a detailed steam locomotive.
- **Rocket Train:** A streamlined, fast-looking train design.
- **Passenger Carriage:** An additional car that can be combined with other Emerald Express sets to form a longer train.

Official LEGO Creator 31015 Emerald Express video demonstrating the 3-in-1 building options: the main train, a rocket train, and a carriage, showing how the pieces can be reconfigured. This short video provides a visual overview of the set's versatility.

OPERATING YOUR MODEL

Once assembled, your LEGO Creator model is ready for imaginative play. The wheels on all three models are designed to roll smoothly on flat surfaces, allowing for dynamic movement.

- **Movement:** Gently push the train or carriage along a smooth surface.
- **Rebuilding:** To construct a different model, carefully disassemble the current build and follow the instructions for the desired alternative.
- **Expansion:** Combine multiple LEGO Creator 31015 Emerald Express sets to create a longer train with

additional carriages.

CARE AND MAINTENANCE

Proper care ensures the longevity of your LEGO bricks and models.

Cleaning Instructions:

- Clean LEGO bricks by hand using lukewarm water (up to 40°C or 104°F) and a mild detergent.
- Rinse thoroughly with clear water.
- Allow bricks to air dry at room temperature. Do not use a dryer, microwave, or oven, as high heat can damage the plastic.
- Avoid harsh chemicals or abrasive cleaning materials.

Storage:

Store your LEGO bricks and assembled models in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.

TROUBLESHOOTING

If you encounter any issues with your LEGO Creator 31015 set, please refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and building area. If a piece is genuinely missing, contact LEGO Customer Service for assistance.
- **Difficulty Assembling:** Review the instruction booklet carefully. Ensure each step is followed precisely and that the correct pieces are used. LEGO instructions are pictorial and designed for clarity.
- **Model Instability:** Ensure all bricks are firmly pressed together. Loose connections can lead to instability.

For further assistance, please contact LEGO Customer Service.

SPECIFICATIONS

Product Name	LEGO Creator 31015 Emerald Express
Model Number	31015
Brand	LEGO
Number of Pieces	56
Recommended Age	6 years and up
