MAINTENANCE AND CARE

- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration and warping.
- **Handling:** Handle mini-dolls and small accessories with care to prevent breakage. Avoid excessive force when connecting or disconnecting bricks.

Missing Pieces

If you find any pieces missing from your new set, please contact LEGO Customer Service directly through their official website. Provide the set number (41027) and the part number of the missing piece, if known.

Difficulty Connecting Bricks

Ensure bricks are aligned correctly before applying gentle, even pressure. Avoid forcing bricks together, as this can cause damage.
