LEGO City Police 60042 High Speed Police Chase Building Instructions

INTRODUCTION

This manual provides detailed instructions for assembling and enjoying your LEGO City Police 60042 High Speed Police Chase set. This set allows you to recreate exciting police pursuits with a police car, two crook scrambler motorbikes, and three minifigures. The set includes a police car, two scrambler motorbikes, a ramp with a fire hydrant and trash can, and three minifigures (two crooks and one policeman) along with accessories like money notes, handcuffs, and a backpack.

SETUP AND ASSEMBLY

Follow the step-by-step visual instructions provided in your LEGO set packaging to construct the police car, scrambler motorbikes, and the ramp scene. Ensure all pieces are correctly connected for stability. The set includes 110 pieces designed for interlocking assembly. Carefully identify each minifigure: two crooks and one policeman, and assemble them with their respective accessories.

OPERATING AND PLAY

Once assembled, the LEGO City Police 60042 set offers dynamic play scenarios. Position the two crooks on their scrambler motorbikes, ready to escape with the stolen money. Utilize the ramp with the fire hydrant and trash can for exciting stunt sequences during the chase. Deploy the policeman in the high-speed police car to pursue the crooks. Engage in imaginative play to capture the crooks and secure the stolen money using the included handcuffs.

MAINTENANCE

To ensure the longevity of your LEGO set, keep the bricks clean and free from dust. Clean bricks using a mild soap solution and lukewarm water. Rinse thoroughly and air dry. Avoid exposing LEGO bricks to direct sunlight or extreme temperatures, as this can cause discoloration or warping. Store the set in a cool, dry place when not in use to prevent loss of pieces.

TROUBLESHOOTING

- **Missing Pieces:** If a piece is missing, first double-check all packaging and surrounding areas. LEGO provides customer service for missing parts.
- **Difficulty Connecting Bricks:** If bricks are difficult to connect, ensure they are aligned correctly and apply gentle, even pressure. Avoid forcing pieces together.
- **Assembly Issues:** For any assembly difficulties, refer to the original instruction booklet included with the set or visit the official LEGO website for digital instructions.
