

REVLON RVDR5105

Revlon 1875W Infrared Hair Dryer RVDR5105 Instruction Manual

Achieve faster drying and maximum shine with your Revlon Infrared Hair Dryer.

1. IMPORTANT SAFETY INFORMATION

Please read all instructions before using this appliance. Keep away from water. Do not use while bathing. Do not place or store appliance where it can fall or be pulled into a tub or sink. Do not place in or drop into water or other liquid. If an appliance falls into water, unplug it immediately. Do not reach into the water.

Always unplug this appliance immediately after using. Unplug this appliance before cleaning. Do not use an extension cord with this appliance. Do not operate any appliance with a damaged cord or plug, or if the appliance malfunctions, or has been dropped or damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair, or electrical or mechanical adjustment.

Keep the cord away from heated surfaces. Do not pull, twist, or wrap cord around appliance. Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch, where the air openings may be blocked. Keep the air openings free of lint, hair, and the like. Never use while sleeping. Never drop or insert any object into any opening. Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered. Do not use an adapter with this appliance.

Do not direct hot air towards eyes or other heat-sensitive areas. Attachments may be hot during use. Allow them to cool before handling. Do not place appliance on any surface while it is operating. While using the appliance, keep your hair away from the air inlets. Do not operate with voltage converter.

2. PRODUCT OVERVIEW

The Revlon 1875W Infrared Hair Dryer is designed for efficient drying and enhanced hair health. It features Infrared Heat Technology, Tourmaline Ionic Technology, and a 3X Ceramic Coating to minimize heat damage and boost shine.

Figure 1: Revlon 1875W Infrared Hair Dryer with included attachments.

Key Features:

- **Infrared Heat Technology:** Penetrates the hair cortex, drying from the inside out, maintaining natural moisture, and preventing over-drying.
- **Tourmaline Ionic Technology:** Reduces frizz and static, enhancing shine and smoothness.
- **3X Ceramic Coating:** Ensures even heat distribution to help reduce heat damage.
- **2 Heat / 2 Speed Settings:** Provides flexible control for various hair types and styling needs.

- **Cool Shot Button:** Releases a burst of cool air to set the style for long-lasting results.
- **Concentrator Attachment:** Directs airflow for precise drying and styling.
- **Diffuser Attachment:** Enhances natural curls and waves, adding volume.
- **Hanging Ring:** For convenient storage.

3. SETUP

Unboxing and Initial Inspection:

1. Carefully remove all components from the packaging.
2. Inspect the hair dryer and accessories for any signs of damage. Do not use if damaged.
3. Ensure the voltage of your power outlet matches the voltage specified on the appliance.

Attaching Accessories:

The hair dryer comes with a concentrator and a diffuser attachment. To attach, align the accessory with the nozzle of the hair dryer and push firmly until it clicks into place. To remove, gently pull the attachment off.

Beautifully Cutting-Edge

Designed with Infrared Heat Technology

Maintains your hair's natural moisture

- ✓ Helps prevent over-drying and over-styling damage
- ✓ Delivers maximum shine

4. OPERATING INSTRUCTIONS

Basic Operation:

1. Plug in the hair dryer to a suitable electrical outlet.
2. Select the desired heat and speed settings using the switches on the handle.
3. Use the concentrator or diffuser attachments for specific styling needs.
4. Dry hair while utilizing the infrared heat technology to prevent over-drying and enhance shine.
5. Use the cool shot button to lock in the style.

Pretty, Sleek, and Hassle-Free

Low, High

Cool Shot Button

Locks in style

Hanging Ring

For easier storage

Figure 3: Heat and speed control switches on the dryer handle.

Heat and Speed Settings:

- **Heat Settings:** Choose between 'Hot' and 'Warm' depending on your hair type and desired drying intensity.
- **Speed Settings:** Select 'High' for fast drying or 'Low' for gentle drying and styling.

Using the Cool Shot Button:

Press and hold the Cool Shot button to release a stream of cool air. This helps to close the hair cuticle, setting your style and adding shine. Release the button to return to the selected heat setting.

Using Attachments:

- **Concentrator:** Ideal for precise styling and straightening. Direct the airflow onto sections of hair as you brush.
- **Diffuser:** Perfect for enhancing natural curls and adding volume. Gently cup sections of hair in the diffuser and lift towards the scalp.

5. MAINTENANCE

Cleaning:

1. Always unplug the hair dryer from the power outlet before cleaning.
2. Use a soft, damp cloth to wipe down the exterior of the appliance.
3. Regularly clean the air intake filter at the back of the dryer to prevent lint and dust buildup, which can affect performance. Gently twist or pull off the filter cover (refer to product diagram if available) and remove any accumulated debris. Replace the filter cover securely.

Storage:

When not in use, ensure the hair dryer is cool and dry. Store it in a safe, dry location. Utilize the hanging ring on the handle for convenient storage.

6. TROUBLESHOOTING

If your Revlon 1875W Infrared Hair Dryer is not functioning as expected, please review the following common issues:

- **No Power:** Ensure the power cord is securely plugged into a working electrical outlet. Check your circuit breaker if necessary.
- **Reduced Airflow or Overheating:** The air intake filter may be blocked. Unplug the dryer and clean the filter as described in the Maintenance section.
- **Unusual Noise:** Unplug the dryer and check the air intake for any foreign objects. If the noise persists, discontinue use and contact customer support.

For issues not listed here, please refer to the Warranty & Support section for further assistance.
