## Dreambaby 6 Panel

# Dreambaby Royale Converta 3-in-1 Play Yard & 151" Extra Wide Baby Gate

Model: 6 Panel | Brand: Dreambaby

## INTRODUCTION

---

The Dreambaby Royale Converta 3-in-1 Play-Pen Gate is a versatile and convenient solution designed to enhance child safety and provide a secure play area within your home. Constructed from durable metal, this product seamlessly integrates three essential functions into one unit: a spacious playpen, an extra-wide barrier gate, and a protective fireplace barrier.

## KEY FEATURES

---

- **3-in-1 Versatility:** Functions as a freestanding playpen, a hardware-mounted fireplace barrier, or an extra-wide gate for children and pets.
- **Configurable Panels:** Includes 6 configurable panels, allowing for flexible setup to suit various spaces and needs.
- **Generous Dimensions:** Measures a total of 151 inches wide and stands 29 inches tall, providing substantial coverage.
- **Smart Stay-Open Door:** One panel features a convenient door that can be set to stay open for easy access, ideal for quick entry and exit.
- **Durable Construction:** Made from sturdy metal to ensure reliable security and longevity.
- **Portable Design:** Easily folds up for convenient storage and transport, making it suitable for families on the go.
- **Expandable:** Additional extension panels are available and sold separately for even larger areas.

## SETUP

---

The Dreambaby Royale Converta is designed for straightforward assembly and configuration. It comes mostly pre-

assembled, requiring minimal effort to set up.

### **Assembling the Panels**

Unfold the panels and connect them as desired. The panels can be locked into place using the provided mechanism to maintain your chosen configuration. An Allen key is used to secure the panel joints, ensuring stability.

Figure 1: Securing a panel joint with the provided Allen key.

### **Configuring as a Playpen**

To create a playpen, arrange the 6 panels into a hexagonal shape, ensuring all connections are secure. This provides a safe, enclosed space for your child.

Figure 2: The playpen configuration, providing a secure area for play.

### **Configuring as a Wide Barrier Gate**

For use as a wide barrier gate, extend the panels in a straight or curved line across a wide opening, such as a doorway, hallway, or between rooms. Wall brackets are included for hardware mounting to ensure maximum stability and security in this configuration.

Figure 3: The gate configured as a wide barrier, suitable for large openings.

### **Configuring as a Fireplace Barrier**

To protect against fireplace hazards, arrange the panels to enclose the fireplace area. The gate can be shaped to fit around various fireplace designs, providing a safe zone for children and pets.

Figure 4: Various configurations including the fireplace barrier setup.

## OPERATING THE GATE

---

The gate panel is designed for ease of use while maintaining security.

### Smart Stay-Open Door

The gate features a Smart Stay-Open Door mechanism. This allows you to open the gate and keep it in an open position when not actively needing to restrict access, such as during clean-up or when children are napping. To engage the stay-open feature, simply open the gate past a certain point, and it will remain open until manually closed.

Figure 5: The gate's stay-open feature provides convenient access.

## Opening and Closing

The gate is designed for one-handed operation. To open, press the release button and lift the gate. Ensure the gate latches securely when closing to maintain safety.

## MAINTENANCE

---

To ensure the longevity and proper function of your Dreambaby Royale Converta, regular maintenance is recommended.

- **Cleaning:** Wipe down the metal and plastic surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspection:** Periodically check all joints, hinges, and locking mechanisms for wear or damage. Ensure all screws and connections are tight.
- **Storage:** When not in use, the gate can be easily folded for compact storage. Store in a dry place away from extreme temperatures.

## TROUBLESHOOTING

---

If you encounter any issues with your Dreambaby Royale Converta, please refer to the following common solutions:

- **Gate not latching securely:** Check for any obstructions in the latch mechanism. Ensure the gate is properly aligned and that the panels are securely locked into their configuration.
- **Panels feel wobbly:** Verify that all panel joints are tightened using the provided Allen key. If hardware-mounted, ensure wall brackets are securely installed.
- **Difficulty opening/closing gate:** Ensure the release button is fully depressed. Check for any debris or foreign objects in the hinge area.

For persistent issues or concerns not addressed here, please contact Dreambaby customer support.

## SPECIFICATIONS

---

Attribute	Detail
Product Dimensions (L x W x H)	151 x 4 x 29 inches
