

Peg Perego IGOR0069

Peg Perego John Deere Ground Loader Tractor (Model IGOR0069)

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your Peg Perego John Deere Ground Loader Tractor. Please read all instructions carefully before use and retain this manual for future reference.

2. SAFETY INFORMATION

Adult supervision is required at all times when the vehicle is in use. Ensure children understand and follow all operating instructions. Keep hands, hair, and clothing away from moving parts.

This product is designed for children aged 36 months to 7 years. Do not exceed the recommended age or weight limits.

3. WHAT'S IN THE BOX

Your Peg Perego John Deere Ground Loader Tractor package includes:

- John Deere Ground Loader Tractor (main unit)
- 12-volt rechargeable battery
- Battery charger

4. SETUP AND ASSEMBLY

Assembly requires adult supervision and basic tools. Follow the steps below to assemble your tractor.

4.1. Initial Inspection

Before beginning assembly, unpack all components and verify that all parts are present and undamaged. Refer to the parts list in your included manual.

4.2. Attaching the Front Loader

Secure the front loader mechanism to the main body of the tractor. Ensure all connection points are firmly fastened.

Figure 2: Front loader assembly.

4.3. Installing Wheels

Attach the wheels to the axles. Ensure all washers and nuts are used to secure the wheels properly, allowing for smooth rotation.

Figure 3: Side view showing wheel attachment points.

4.4. Connecting the Battery

Locate the battery compartment, typically under the hood or seat. Connect the battery terminals as indicated in the detailed assembly instructions provided in the box. Ensure a secure connection.

4.5. Attaching the Seat

Mount the adjustable seat onto the tractor body. Secure it with the provided screws. The seat features flip-up armrests for comfort and accessibility.

Figure 4: Adjustable seat with flip-up armrests.

5. OPERATING INSTRUCTIONS

5.1. Starting and Driving

To operate the tractor, press the accelerator pedal located on the footrest. The vehicle features automatic brakes that engage when the pedal is released.

Figure 5: Accelerator pedal.

5.2. Speed and Reverse

The tractor offers two forward speeds (2.25 mph and 4.5 mph) plus reverse. Use the gear shifter to select the desired speed or direction. A 2nd gear lockout feature is available for parental control, limiting the vehicle to the lower speed.

Figure 6: Gear shifter for speed and reverse.

5.3. Front Loader Operation

The working front loader allows for scooping, lifting, carrying, and dumping directly from the driver's seat. Refer to the specific controls for the loader in your included manual.

5.4. Terrain Capability

The tractor is equipped with high-traction wheels designed to operate on various surfaces including grass, dirt, gravel, and pavement.

6. BATTERY CHARGING

The 12-volt rechargeable battery and charger are included. To charge the battery, disconnect it from the vehicle (usually located under the hood or seat) and connect it to the charger. Plug the charger into a standard electrical outlet. Allow sufficient time for a full charge as indicated by the charger's indicator light or the manufacturer's guidelines. Do not overcharge the battery.

7. MAINTENANCE

- **Cleaning:** Wipe down the vehicle with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the tractor in a dry, protected area when not in use. Ensure the battery is fully charged before long-term storage and recharge periodically.
- **Battery Care:** Follow all instructions for battery charging and maintenance to prolong battery life.

8. TROUBLESHOOTING

If the vehicle does not operate, check the following:

- Ensure the battery is fully charged and properly connected.
- Verify that the accelerator pedal is fully depressed.
- Check for any obstructions around the wheels or motor.
- If the vehicle gets stuck on uneven terrain, a slight shift in weight or gentle assistance may be needed.

For persistent issues, contact customer support.

9. SPECIFICATIONS

Product Dimensions	55 x 24.75 x 27 inches
Item Weight	9.02 pounds
Item Model Number	IGOR0069
Recommended Age	36 months - 7 years
Battery	1 12V battery (included)

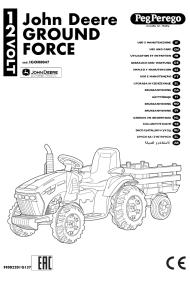

10. WARRANTY AND SUPPORT

A free 2nd year extension to the regular warranty is available with consumer participation. Please refer to the warranty card included with your product for details on how to register and activate the extended warranty.

For further assistance or support, please contact Peg Perego customer service.
