

## Tylö Sense Sport 8 kW

# Tylö Sense Sport 8 kW Electric Sauna Heater User Manual

Model: Sense Sport 8 kW

## 1. INTRODUCTION

---

The Tylö Sense Sport 8 kW electric sauna heater is designed to provide a fast and efficient heating solution for sauna cabins ranging from 6 to 12 cubic meters. This manual provides essential information for the safe installation, operation, and maintenance of your sauna heater. Please read it thoroughly before use.

*Figure 1: Tylö Sense Sport 8 kW Electric Sauna Heater*

This image shows the front view of the Tylö Sense Sport 8 kW electric sauna heater. It features a dark, textured body with two control knobs at the bottom and a top compartment filled with sauna stones.

## 2. SAFETY INSTRUCTIONS

---

Always prioritize safety when installing and operating the sauna heater.

- **Electrical Installation:** Installation must be performed by a qualified electrician in accordance with local and national electrical codes.
- **ThermoSafe™ Coating:** The outer casing features a unique ThermoSafe™ coating designed to keep the surface temperature at approximately 40°C (104°F), minimizing the risk of burns. However, direct contact with hot surfaces should still be avoided.
- **Sauna Stones:** Ensure sauna stones are properly placed in the designated compartment. Do not use any other materials.
- **Ventilation:** Ensure adequate ventilation in the sauna cabin as per manufacturer guidelines.
- **Water:** Only pour water on the sauna stones. Do not pour water directly onto the heating elements or other parts of the heater.
- **Children and Pets:** Keep children and pets away from the sauna heater during operation.
- **Flammable Materials:** Do not place flammable materials near the sauna heater.

### 3. PACKAGE CONTENTS

---

Upon unpacking, verify that all components are present and undamaged.

- Tylö Sense Sport 8 kW Electric Sauna Heater with integrated control unit.
- Instruction Manual.

*Note: Sauna stones are not included and must be purchased separately.*

### 4. SETUP AND INSTALLATION

---

The Tylö Sense Sport heater offers flexible installation options.

- **Wall Mounting:** The heater can be mounted directly to the sauna wall. Ensure the wall structure can support the weight of the heater and stones.
- **Floor Standing:** For floor-standing installation, additional support feet (Tylö part number 9300019) are required. These feet are sold separately.

*Figure 2: Side view of the heater, illustrating mounting options*

This image displays a side profile of the Tylö Sense Sport sauna heater, highlighting its compact design and the base structure suitable for either wall mounting or attachment of optional floor-standing feet.

Refer to the detailed installation diagrams and instructions provided in the separate installation guide for precise measurements and electrical connections.

### 5. OPERATING INSTRUCTIONS

---

The Tylö Sense Sport features an integrated control unit for easy operation.

#### 5.1. Initial Startup

1. Ensure sauna stones are correctly placed in the stone compartment.
2. Verify electrical connection is secure.
3. Turn the temperature control knob to the desired setting.
4. Set the timer knob for the desired operating duration.

*Figure 3: Top view of the heater with sauna stones*

This image provides a top-down view of the Tylö Sense Sport heater, clearly showing the compartment filled with sauna stones, ready for use.

## 5.2. Key Features

- **Fast Heating:** The 8 kW power ensures rapid heating of your sauna cabin.
- **Precise Temperature Control:** Adjust the integrated thermostat to achieve your preferred sauna temperature.
- **Energy-Saving Function:** The "Split Output" energy-saving feature automatically switches the unit to economy mode once the desired temperature is reached, potentially saving up to 30% energy.
- **Integrated Control Unit:** The thermostat and mechanical timer are integrated into the base of the sauna heater for convenient access.
- **Aromatherapy:** An integrated fragrance bowl allows for the use of essential oils for a relaxing aromatherapy experience.

*Figure 4: Close-up of sauna stones and fragrance bowl*

This close-up image details the sauna stones within the heater's compartment, along with the integrated fragrance bowl designed for aromatherapy use.

## 6. MAINTENANCE

---

Regular maintenance ensures the longevity and optimal performance of your Tylö Sense Sport heater.

- **Stone Inspection:** Periodically inspect sauna stones for signs of crumbling or degradation. Replace as needed to

ensure proper heat distribution and prevent damage to heating elements.

- **Cleaning:** Wipe the exterior of the heater with a damp cloth when cool. Do not use abrasive cleaners or solvents.
- **Electrical Connections:** Have a qualified electrician periodically check electrical connections for tightness and wear.

## 7. TROUBLESHOOTING

This section provides basic troubleshooting steps for common issues. For more complex problems, contact a qualified technician.

Problem	Possible Cause	Solution
Heater does not turn on.	No power supply; circuit breaker tripped; faulty wiring.	Check power outlet and circuit breaker. Consult a qualified electrician for wiring issues.
Heater not reaching desired temperature.	Incorrect temperature setting; insufficient sauna stones; poor insulation; cabin size too large.	Adjust temperature setting. Ensure sufficient, properly placed sauna stones. Check sauna cabin insulation. Verify cabin size is within recommended range (6-12 m³).
Unusual noises or smells.	New heater burning off manufacturing residues (initial use); foreign objects in stone compartment; electrical fault.	Initial smells are normal. Turn off heater and inspect for foreign objects. If persistent or strong, disconnect power and contact a technician.

## 8. SPECIFICATIONS

Feature	Detail
Model	Tylö Sense Sport
Power Output	8.0 kW
Recommended Sauna Cabin Volume	6 - 12 m³
Integrated Control	Yes (Thermostat and Mechanical Timer)
Safety Feature	ThermoSafe™ Coating (approx. 40°C surface temp)
Energy Saving Function	"Split Output" (up to 30% energy saving)
Aromatherapy Feature	Integrated Fragrance Bowl
Mounting Options	Wall-mounted or Floor-standing (with optional feet)
Approximate Item Weight	15 Kilograms
Manufacturer Reference	61001012

## 9. WARRANTY AND SUPPORT

For information regarding warranty coverage, terms, and conditions, please refer to the documentation provided at the time of purchase or contact your retailer or the manufacturer directly.  
For technical support or service inquiries, please contact Tylö customer service or an authorized service center.
