Graco DuetSoothe Swing and Rocker Instruction Manual

Model: 1893776

INTRODUCTION

This manual provides comprehensive instructions for the safe and proper use of your Graco DuetSoothe Swing and Rocker. Please read all instructions carefully before assembly and use, and keep this manual for future reference. The Graco DuetSoothe offers a versatile solution for soothing your child, functioning as both a multi-speed swing and a portable rocker.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always use the restraint system. Adjust to fit snugly.
- Never leave child unattended.
- Do not use this product if your child can sit up unassisted or attempts to climb out.
- Do not use this product as a carrier.
- Always place the product on a flat, level surface.
- Discontinue use of the swing when child reaches 30 lbs (13.6 kg) or can sit up unassisted.
- Ensure all components are securely fastened before each use.
- Keep children away from the product during assembly and disassembly.

PRODUCT OVERVIEW AND COMPONENTS

The Graco DuetSoothe Swing and Rocker is designed for comfort and versatility. Familiarize yourself with the main components:

Image: The Graco DuetSoothe Swing and Rocker with key features labeled, including the mobile with soft toys, 5-point harness, plush body support, carry handles, multi-direction swing seat, and portable rocker base.

- **Swing Frame:** Provides stability and supports the swing mechanism.
- **Removable Rocker Seat:** Can be used independently or attached to the swing frame. Features a 5-point harness and plush body support.
- **Control Unit:** Located at the top of the swing frame, manages swing speeds, vibration, melodies, and sounds.
- **Mobile:** Overhead attachment with soft toys for engagement.
- **Carry Handles:** Integrated into the rocker seat for easy portability.

SETUP

The Graco DuetSoothe Swing and Rocker is designed for minimal assembly. Follow these steps for initial setup:

1. **Unpacking:** Carefully remove all components from the packaging. Verify all parts are present according to the packing list.
2. **Frame Setup:** Unfold the swing frame and ensure all locking mechanisms are engaged. Place the frame on a flat, level surface.

3. **Rocker Seat Attachment:** Align the rocker seat with the swing frame's attachment points and securely click it into place. Ensure it is firmly seated.
4. **Power Connection:** The unit can be powered by an AC adapter (if included) or 5 D batteries (not included). Connect the AC adapter to the control unit and a wall outlet, or install 5 D batteries into the battery compartment located on the rocker seat for vibration and in the control unit for swing functions.
5. **Mobile Attachment:** Attach the mobile to the designated slot on the control unit.

OPERATING INSTRUCTIONS

The Graco DuetSoothe offers multiple settings to comfort your child.

Using as a Baby Swing

1. **Placing Child:** Gently place your child in the seat and secure the 5-point harness. Adjust straps for a snug fit.
2. **Swinging Directions:** The seat can swing in 3 directions: side-to-side or front-to-back. Adjust the seat's orientation on the frame to select the desired motion.

3. **Swinging Speeds:** Use the control unit to select one of 6 available swinging speeds. Start with a lower speed and adjust as needed.
4. **Vibration:** Activate the 2-speed vibration feature via the control unit for additional soothing.
5. **Melodies and Sounds:** Select from 10 classical melodies or 5 soothing sounds using the control unit. Adjust volume as desired.

3 swinging directions so baby can sway side to side or front to back

Using as a Portable Rocker

1. **Detaching Seat:** Press the release buttons on the side of the rocker seat to detach it from the swing frame.
2. **Portability:** Use the integrated carry handles to move the rocker seat to another location.
3. **Rocker Function:** Place the rocker on a flat, level surface. The curved base allows for manual rocking.
4. **Vibration:** The 2-speed vibration feature can still be used when the seat is detached as a rocker, powered by the D batteries in the rocker base.

**2 Ways to Use:
BABY SWING
& PORTABLE
ROCKER**

MAINTENANCE AND CARE

Regular maintenance ensures the longevity and safety of your Graco DuetSoothe.

- **Cleaning the Seat Pad:** The seat pad is machine washable. Refer to the care tag for specific washing instructions. Use cold water on a delicate cycle. Do not bleach. Tumble dry low.
- **Cleaning the Frame:** Wipe the metal and plastic parts of the frame with a damp cloth and mild soap. Do not use abrasive cleaners.
- **Toy Mobile:** Spot clean the soft toys with a damp cloth.
- **Battery Replacement:** Replace D batteries when the swing or vibration functions weaken or stop. Ensure correct polarity.
- **Storage:** When not in use, store the product in a clean, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter issues with your Graco DuetSoothe, refer to the following common solutions:

Problem	Possible Cause	Solution
Swing does not operate	No power, low batteries, or incorrect battery installation.	Ensure AC adapter is securely plugged in or replace D batteries. Check battery polarity.
Vibration does not work	Low batteries in the rocker seat.	Replace D batteries in the rocker seat.
Swing motion is weak or inconsistent	Low batteries or child's weight exceeds limit.	Replace D batteries. Ensure child's weight is within the 5-30 lbs range.
Squeaking noise during operation	Friction between moving parts.	Apply a small amount of silicone-based lubricant to moving joints if necessary. Avoid oil-based lubricants.
Rocker seat not securely attached to swing frame	Improper alignment or obstruction.	Re-align the seat and press firmly until it clicks into place. Check for any obstructions.

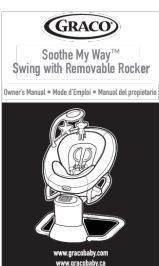

SPECIFICATIONS

- **Model Number:** 1893776
- **Product Dimensions:** 33"D x 43"W x 34"H
- **Item Weight:** Approximately 21 pounds
- **Minimum Weight Recommendation:** 5 pounds
- **Maximum Weight Recommendation:** 30 pounds
- **Frame Material:** Metal
- **Material Type:** Metal, Plastic
- **Material Composition:** Polyester
- **Power Source:** AC Adapter (included) or 5 D Batteries (not included)
- **Assembly Required:** No (minimal setup required)
- **Care Instructions:** Machine wash seat pad, spot or wipe clean frame.
