2. Setup

This Hot Wheels die-cast model requires no assembly. Simply remove the vehicle from its packaging to begin play.

1. Carefully open the product packaging.
2. Remove the Hot Wheels '07 Cadillac Escalade vehicle.

3. Operation

The Hot Wheels '07 Cadillac Escalade is designed for free-rolling play. It can be used on various smooth surfaces for imaginative scenarios, such as racing, cruising, or building a city scene.
"Experience life in the fast lane with these high-speed street vehicles. Whether they're racing downtown, speeding on the highways or cruising the city, they're always ready for action. Collect them all to build a city scene with no speed limit!"

4. Maintenance and Care

To ensure the longevity of your Hot Wheels collectible:

- **Cleaning:** Wipe clean with a soft, dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the paint finish or metal components.
- **Storage:** Store the vehicle in a dry environment, away from direct sunlight and extreme temperatures, to prevent material degradation.

5. Safety and Troubleshooting

Warning: Not suitable for children under 36 months due to small parts that may be generated. Adult supervision is recommended for younger children.
If any parts become loose or detached, discontinue use, especially if the toy is intended for children under the recommended age.
