Operating Instructions (Imaginative Play)

This playset is designed to encourage imaginative storytelling and role-playing. Here are some suggestions for engaging play:

- **Horse Grooming:** Use the groomer figure and accessories like the brush and bucket to simulate washing and grooming the Hanoverian stallion.
- **Saddle Preparation:** Place the leisure saddle and bridle on the saddle stand, preparing them for the horse.
- **Storytelling:** Create various scenarios, such as preparing the horse for a show, cleaning it after a muddy ride, or simply giving it a refreshing bath.
- **Interaction:** Integrate other Schleich Horse Club figures and playsets to expand your stable and create larger, more complex stories.

Maintenance

To ensure the longevity and cleanliness of your Schleich Horse Club Horse Wash Area Playset, follow these simple maintenance guidelines:

- **Cleaning:** Wipe figures and playset components with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent fading or material degradation.
- **Handling:** Handle the hand-painted figures with care to preserve their detailed finish.

Troubleshooting

While the Schleich Horse Club Horse Wash Area Playset is designed for durability and ease of use, here are some common observations and tips:

- **Small Accessories Detaching:** Some small accessories, like the hose part mentioned in reviews, may occasionally detach. This is typically due to the nature of small, removable parts in playsets. Simply reattach them firmly.
- **Figures Not Standing Firmly:** Ensure figures are placed on a flat, stable surface. Slight adjustments to their pose may be needed for optimal balance.
- **Bridle Fit:** If the bridle seems a little small or difficult to fit, gently manipulate it into place. The material is designed to be flexible enough for fitting.
