Philips 101

Philips Wired Earbuds with Microphone - Model 101 User Manual

Model: 101 | Brand: Philips

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Philips Wired Earbuds with Microphone, Model 101. Please read these instructions carefully before using the product and retain them for future reference.

PRODUCT OVERVIEW

The Philips Wired Earbuds with Microphone are designed for comfortable listening and clear communication. They feature an ergonomic design for a secure fit and a built-in microphone for calls.

Key Features:

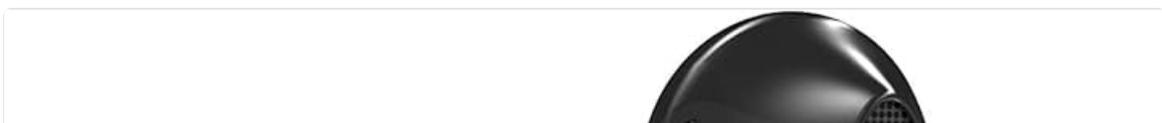

- **Clear Sound with Bass:** Enjoy enhanced audio output with a rich bass response.
- **Built-in Microphone:** Enables clear voice capture for calls and recordings.
- **Ergonomic Comfort-Fit Design:** Shaped to fit the ear geometry for comfortable, extended wear.
- **Lightweight Design:** Reduces fatigue during long listening sessions.
- **Suitable for Sports and Exercise:** Maintains secure positioning during physical activities.
- **3.5mm Jack Connectivity:** Standard audio jack for wide compatibility.
- **Wired Connection:** Ensures stable audio transmission without battery concerns or pairing requirements.

OPERATING INSTRUCTIONS

Audio Playback:

- Once connected, audio from your device will play through the earbuds.
- Use your device's volume controls to adjust the listening level.

Using the Microphone and Inline Controls:

The inline remote control allows for convenient management of calls and music playback.

- **Answer/End Call:** Press the button on the inline remote once.
- **Play/Pause Music:** Press the button on the inline remote once.
- **Next Track:** Press the button on the inline remote twice quickly.
- **Previous Track:** Press the button on the inline remote three times quickly.

CARE AND MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the earbuds. Do not use liquid cleaners or aerosols.
- **Storage:** When not in use, store the earbuds in a clean, dry place. Avoid extreme temperatures.
- **Cable Management:** The cable is designed to be soft and resist tangling. Avoid excessive pulling or sharp bends to prolong its lifespan.
- **Water Resistance:** These earbuds are *Not Water Resistant*. Avoid exposure to water or excessive moisture.

Wide Compatibility

Smart Phone

MP3/MP4

Computer

Tablet

TROUBLESHOOTING

Problem	Possible Cause	Solution
No sound or poor audio quality (muffled, static)	Loose connection. Dirty 3.5mm jack contacts. Incorrect volume setting on device. Faulty audio source.	Ensure the 3.5mm jack is fully inserted into the device. Clean the metallic part and crevices of the 3.5mm jack with a slightly damp cloth, then dry thoroughly. Increase the volume on your connected device. Test with another audio device to rule out the source.
Microphone not working or poor call quality	Loose connection. Microphone blocked or dirty. Device settings.	Ensure the 3.5mm jack is fully inserted. Check the microphone on the inline remote for obstructions and gently clean if necessary. Verify microphone input settings on your connected device.

Problem	Possible Cause	Solution
Earbuds fall out easily	Improper fit.	Ensure earbuds are correctly positioned in the ear canal. The ergonomic design is intended for a secure fit.

SPECIFICATIONS

- **Model:** 101
- **Brand:** Philips
- **Color:** Black
- **Ear Placement:** In Ear
- **Form Factor:** In Ear
- **Connectivity Technology:** Wired
- **Headphones Jack:** 3.5 mm Jack
- **Impedance:** 32 Ohms
- **Sensitivity:** 112 dB
- **Noise Control:** None
- **Audio Driver Type:** Dynamic Driver
