HQRP 9-Volt AC Adapter Instruction Manual

Compatible with X-Rocker Gaming Chairs

Introduction

This manual provides essential instructions for the safe and effective use of your HQRP 9-Volt AC Adapter. This adapter is designed to provide reliable power to compatible X-Rocker Gaming Chairs. Please read this manual thoroughly before use and retain it for future reference.

Safety Information

Your HQRP AC Adapter is designed with multiple safety features to ensure reliable operation. Adhere to the following guidelines:

- **UL Listed:** This product is UL Listed, indicating it meets stringent safety standards.
- **Input Voltage:** Use only with AC power sources between 100V-240V.
- **Output Voltage:** Provides a stable DC 9V, 1.3A output.
- **Protection Features:** Equipped with automatic overload cut-off, automatic thermal cut-off, short circuit protection, and over voltage protection.
- **Interference:** Designed for low interference and noise.
- **Environment:** Do not expose the adapter to moisture, extreme temperatures, or direct sunlight. Use in a well-ventilated area.
- **Damage:** Do not use if the adapter or cord is damaged. Do not attempt to open or repair the adapter.

Package Contents

Verify that all items are present in your package:

- 1 x HQRP 9-Volt AC Adapter
- 1 x DC Power Cord (attached to adapter)
- 1 x Euro Plug Adapter

Setup

Follow these steps to set up your HQRP AC Adapter:

1. **Verify Compatibility:** Ensure your X-Rocker Gaming Chair requires a 9-Volt DC power input. This adapter is compatible with models such as 51476, 51277, 51231, 51233, 51274, 51368, 5109501, 5171101, 51275, and 51462.
2. **Connect to Chair:** Locate the power input port on your X-Rocker Gaming Chair. Insert the DC barrel connector from the HQRP AC Adapter's cord firmly into this port.
3. **Connect to Power Outlet:** Plug the AC adapter into a standard wall power outlet (100V-240V AC). If you are in a region requiring a Europlug, attach the provided Euro Plug Adapter to the AC adapter before plugging it into the wall outlet.

Operating Instructions

Once properly connected, the HQRP AC Adapter will supply power to your X-Rocker Gaming Chair. No further user interaction is required for basic operation.

- Ensure the adapter is securely plugged into both the chair and the wall outlet.
- The adapter is designed for continuous use within its specified parameters.

Maintenance

To ensure the longevity and optimal performance of your HQRP AC Adapter, follow these maintenance tips:

- **Cleaning:** Wipe the adapter and cord with a dry, soft cloth. Do not use liquid cleaners or immerse in water.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cord to prevent damage.
- **Inspection:** Periodically inspect the adapter and cord for any signs of damage, such as frayed wires, cracks, or bent pins. Discontinue use if damage is found.
- **Ventilation:** Ensure the adapter has adequate ventilation during operation to prevent overheating. Do not cover it with cloths or place it in enclosed spaces.

Troubleshooting

If you encounter issues with your HQRP AC Adapter, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No power to gaming chair	Loose connection, faulty outlet, incompatible chair model	Ensure all connections are secure. Test the wall outlet with another device. Verify your chair model is listed as compatible.
Adapter feels hot	Lack of ventilation, prolonged heavy use, internal fault	Disconnect immediately. Ensure the adapter is in a well-ventilated area. If overheating persists, discontinue use and contact support.

Problem	Possible Cause	Solution
Intermittent power	Damaged cord or connector, unstable power source	Inspect the cord and connector for damage. Try a different power outlet.

Specifications

- **Brand:** HQRP
- **Model Number:** 887774401161462
- **Input:** 100V-240V AC, 50/60Hz
- **Output:** DC 9V, 1.3A
- **Wattage:** 11.7 Watts
- **Connector Type:** Power Adapter Plug (DC Barrel Connector)
- **Compatible Devices:** X-Rocker Gaming Chairs (models 51476, 51277, 51231, 51233, 51274, 51368, 5109501, 5171101, 51275, 51462)
- **Cord Length:** Approximately 6 feet (DC cord)
- **Safety Certifications:** UL Listed
- **Protection Features:** Automatic Overload cut-off, Automatic Thermal cut-off, Short circuit protection, Over Voltage protection

Warranty and Support

For any questions, concerns, or support regarding your HQRP 9-Volt AC Adapter, please contact HQRP customer service. Refer to your purchase documentation for specific warranty details and contact information.
You can typically find support contact details on the HQRP official website or through the retailer where the product was purchased.
