› Lavish Home 3-Tier Slim Rolling Cart Instruction Manual - Model 82-3LSS

## Lavish Home 82-3LSS

# Lavish Home 3-Tier Slim Rolling Cart Instruction Manual

Model: 82-3LSS

### PRODUCT OVERVIEW

The Lavish Home 3-Tier Slim Rolling Cart is designed to maximize storage in narrow spaces. This versatile utility cart features three shelves and rolling wheels for easy mobility, making it suitable for various rooms such as kitchens, bathrooms, and laundry areas.

*Image: The assembled 3-tier rolling cart, white in color, shown in a room corner with various items stored on its shelves.*

*Image: Side view of the slim rolling cart with key dimensions highlighted: 28 inches high, 5 inches wide, and 19.5 inches deep.*

## SAFETY INFORMATION

---

- Do not exceed the maximum weight recommendation of 20 pounds per shelf.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Keep the cart away from water sources to prevent electrical hazards if used near appliances.
- Do not allow children to play on, with, or around the cart.

## PACKAGE CONTENTS

---

The package includes the following components for one 3-Tier Rolling Cart:

- 3 Shelf sections
- 4 Vertical support posts
- 4 Wheels

## ASSEMBLY INSTRUCTIONS

---

This rolling cart features a snap-together assembly design. No tools are required.

1. **Attach Wheels:** Insert each of the four wheels into the designated slots on the bottom shelf section. Ensure they are securely clicked into place.
2. **Connect First Support Posts:** Align the vertical support posts with the corner slots of the bottom shelf. Press firmly until they snap into place.
3. **Add Middle Shelf:** Slide the middle shelf section down onto the top of the first set of support posts. Apply even pressure to ensure all four corners snap securely.
4. **Connect Second Support Posts:** Attach the remaining four vertical support posts to the top of the middle shelf, aligning them with the corner slots.
5. **Add Top Shelf:** Place the top shelf section onto the second set of support posts, pressing firmly until it snaps into place.

**Note:** Some users have reported that pieces may require firm pressure to snap together. If you encounter difficulty, ensure proper alignment before applying force. Avoid excessive force to prevent damage.

# 3 Tier Rolling Cart

Features 3 Tier Narrow Space Organizer to store your laundry supplies, spices, canned foods, pet supplies, bathroom necessities, even kid's toys! A plus? This shelf unit is slim and on wheels, so you can conveniently and effortlessly pull in and out from narrow spaces like next to the fridge, in the bathroom, garages, laundry rooms, offices, or in between the washer and dryer for easy access and safekeeping.

## OPERATING INSTRUCTIONS

The Lavish Home 3-Tier Slim Rolling Cart is designed for easy use and mobility.

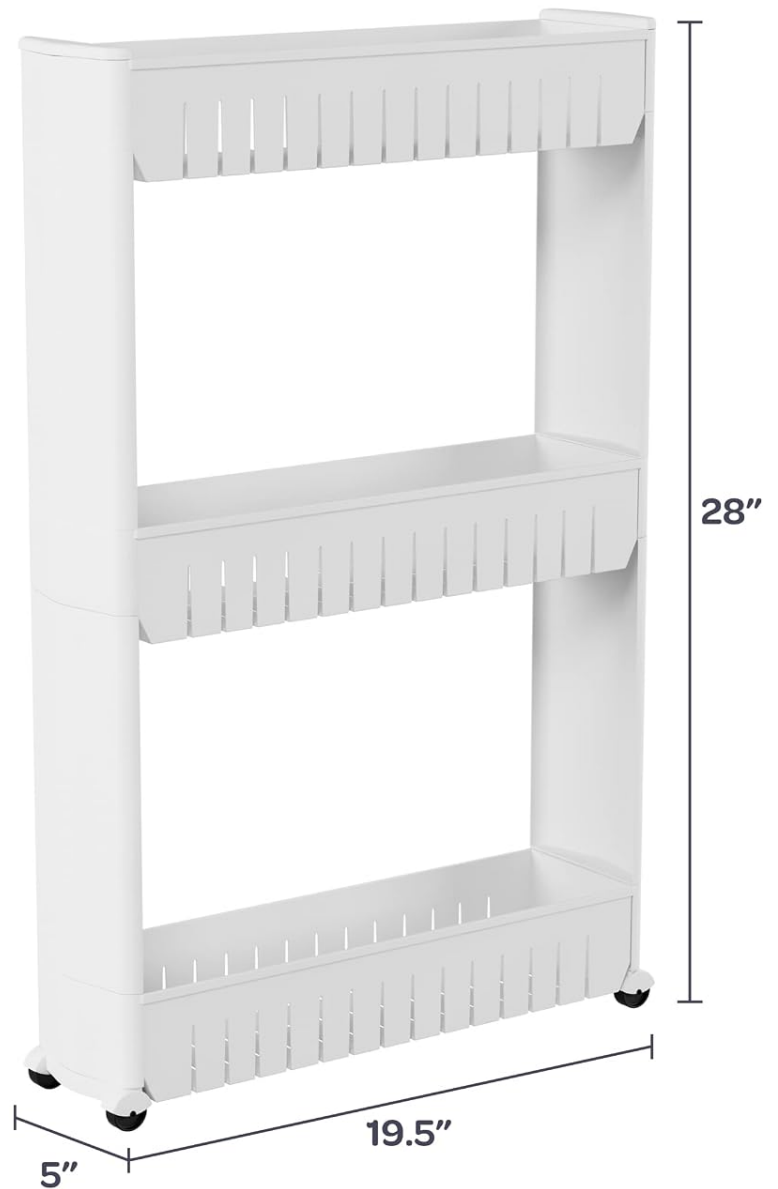

### Placement

Position the cart in narrow spaces such as between appliances (e.g., refrigerator and counter, washer and dryer), next to a toilet, or in a pantry. Its slim design (5 inches wide) allows it to fit into tight gaps.

# Slim Storage

---

Keeping your home neat and organized has never been easier. At 5" wide, this slim storage cart can squeeze into the tight spaces like next to the fridge, in the bathroom or in between the washer and dryer. Shelves are 3.5" deep.

*Image: The slim rolling cart positioned neatly between a washing machine and dryer, demonstrating its space-saving capability in a laundry room.*

## Mobility

The cart is equipped with four PVC wheels for smooth movement. To move the cart, gently pull or push it from either end. The wheels allow for easy access to items stored in tight spaces.

*Video: A user demonstrating the cart being pulled out from a narrow gap, highlighting its easy mobility and space-saving design.*

## Loading Items

Distribute items evenly across the three shelves. Avoid placing excessively heavy items on a single shelf or exceeding the total weight capacity of 20 pounds. The vented shelves are suitable for various household items.

## MAINTENANCE

---

To maintain the appearance and functionality of your rolling cart:

- **Cleaning:** Wipe the cart with a dry cloth to remove dust and spills. For more stubborn dirt, a damp cloth with mild soap can be used, followed by drying thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these may damage the plastic finish.
- **Inspection:** Periodically check the connections between the shelves and posts to ensure they remain secure.

## TROUBLESHOOTING

If you encounter issues with your Lavish Home 3-Tier Slim Rolling Cart, consider the following:

### Difficulty Assembling

- **Ensure Alignment:** Verify that all posts and shelves are correctly aligned before applying pressure.
- **Firm Pressure:** The snap-together components may require firm, even pressure to fully engage.
- **Inspect for Obstructions:** Check for any plastic molding imperfections that might prevent parts from fitting.

### Cart Does Not Roll Smoothly

- **Check Wheels:** Ensure all four wheels are properly inserted and free from debris.
- **Weight Distribution:** Uneven weight distribution can affect rolling. Redistribute items if necessary.
- **Surface:** The cart is designed for smooth, even surfaces. Movement on carpets or uneven flooring may be less smooth.

### Instability

- **Secure Connections:** Re-check all snap-together connections to ensure they are fully engaged.
- **Weight Limit:** Do not exceed the 20-pound weight limit.
- **Even Surface:** Place the cart on a flat, stable surface.
