

Abbott Pediasure 1 Cal With Fiber Vanilla

Abbott Pediasure 1 Cal With Fiber Vanilla Nutritional Drink Instruction Manual

Model: Pediasure 1 Cal With Fiber Vanilla

1. INTRODUCTION

This instruction manual provides essential information for the proper use, storage, and handling of Abbott Pediasure 1 Cal With Fiber Vanilla Nutritional Drink. Pediasure 1 Cal With Fiber is a complete, balanced nutrition formula designed for children aged 1 to 13 years. It is suitable for oral feeding or tube feeding and provides 1.0 Cal per mL.

2. PRODUCT OVERVIEW

Abbott Pediasure 1 Cal With Fiber Vanilla is a ready-to-use liquid nutritional supplement. It is formulated to support growth and development in children who may need additional caloric and nutritional support.

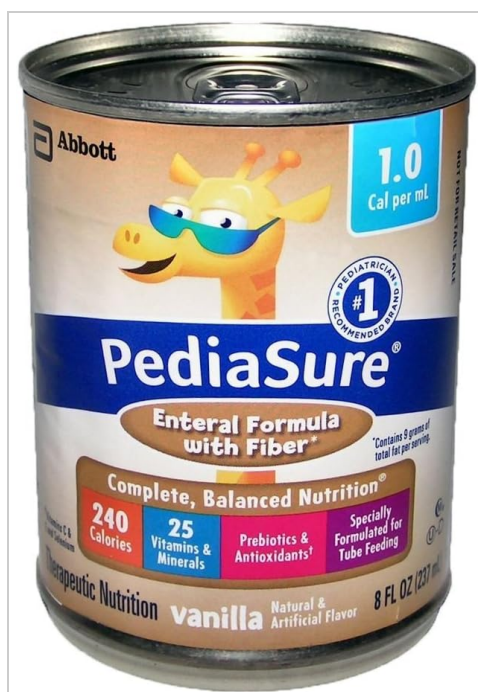

Image 1: A can of Abbott Pediasure 1 Cal With Fiber Vanilla. The label shows "Abbott" logo, "1.0 Cal per mL", "Pediasure", "Enteral Formula with Fiber*", "Complete, Balanced Nutrition®", "240 Calories", "25 Vitamins & Minerals", "Prebiotics & Antioxidants†", "Specially Formulated for Tube Feeding", "Natural & Artificial Flavor", and "8 FL OZ (237 mL)".

Formulated for Tube Feeding", "Vanilla Natural & Artificial Flavor", and "8 FL OZ (237 mL)". A cartoon giraffe wearing sunglasses is also visible on the label.

Key Features:

- **Complete, Balanced Nutrition:** Provides essential nutrients for children.
- **1.0 Cal per mL:** Delivers concentrated calories for children with increased energy needs.
- **With Fiber:** Contains fiber to support digestive health.
- **25 Vitamins & Minerals:** Supports overall health and development.
- **Prebiotics & Antioxidants:** Aids in immune system support.
- **Specially Formulated for Tube Feeding:** Suitable for administration via feeding tube.

3. USAGE INSTRUCTIONS

3.1. Preparation and Setup

1. **Shake Well:** Before opening, shake the can thoroughly to ensure proper mixing of ingredients.
2. **Open:** Open the can using a clean can opener or by pulling the tab if available.
3. **Serve:** Pediasure 1 Cal With Fiber can be served chilled or at room temperature.

3.2. Administration

- **Oral Feeding:** For oral consumption, pour the desired amount into a cup and serve.
- **Tube Feeding:** For tube feeding, follow the healthcare professional's instructions for administration rate and volume. Ensure proper hygiene during preparation and administration.

Important: Always consult a healthcare professional for specific feeding recommendations and dosage tailored to the individual's needs.

4. STORAGE AND HANDLING

- **Unopened Cans:** Store unopened cans at room temperature, avoiding extreme temperatures.
- **Opened Cans:** Once opened, cover the can and refrigerate immediately. Discard any unused portion after 48 hours.
- **Expiration Date:** Do not use if the expiration date printed on the can has passed.

5. IMPORTANT SAFETY INFORMATION AND WARNINGS

- **Not for Parenteral Use:** This product is for oral or tube feeding only. Do not administer intravenously.
- **Not for Individuals with Galactosemia:** This product is not suitable for individuals with galactosemia.
- **Medical Supervision:** Use under medical supervision.
- **Legal Disclaimer:** Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.
