› Inter Link 4-Drawer Mobile Storage Unit (Model 13300100) Instruction Manual

Inter Link 13300100

Instruction Manual

Product: Inter Link - Cajonera con ruedas y cajones - Cajonera 4 Blanco - Pronti

Brand: Inter Link | **Model:** 13300100

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Inter Link 4-Drawer Mobile Storage Unit. Designed for versatile storage, this unit features four drawers and is equipped with wheels for easy mobility. Please read these instructions carefully before assembly and use to ensure safe and correct operation.

2. SAFETY INFORMATION

- Always assemble the unit on a clean, flat, and soft surface to prevent scratches and damage.
- Ensure all fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the drawers. Refer to the specifications section for weight limits.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Do not stand or climb on the unit.
- Use the wheel brakes (if applicable) to secure the unit in place when not moving it.

3. PARTS LIST

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Top Panel (1)
- Bottom Panel (1)
- Side Panels (2)
- Back Panel (1)
- Drawer Fronts (4)
- Drawer Side Panels (8)
- Drawer Back Panels (4)
- Drawer Bottom Panels (4)
- Drawer Slides (8 pairs)
- Handles (4)
- Wheels (4, typically 2 with brakes)
- Assembly Hardware (screws, dowels, cam locks, etc.)

4. ASSEMBLY INSTRUCTIONS

Assembly requires basic tools such as a screwdriver (Phillips head recommended) and possibly a hammer. Follow these steps carefully. For detailed diagrams, please refer to the physical instruction manual included with your product.

1. **Attach Wheels:** Secure the four wheels to the bottom panel using the provided screws. Ensure that any wheels with locking mechanisms are positioned at the front of the unit for easy access.
2. **Assemble Frame:** Attach the side panels to the bottom panel using dowels and cam locks/screws. Then, attach the back panel to the side and bottom panels. Finally, secure the top panel to the side and back panels. Ensure all connections are tight and the frame is square.
3. **Install Drawer Slides (Cabinet):** Attach the cabinet-side drawer slides to the inner surfaces of the side panels. Pay close attention to the orientation (usually an arrow indicating the front) and height for each slide to ensure drawers align correctly.
4. **Assemble Drawers:** For each of the four drawers:
 - Attach the drawer side panels to the drawer front using dowels and cam locks/screws.
 - Slide the drawer bottom panel into the grooves of the assembled sides and front.
 - Attach the drawer back panel to complete the drawer box.
 - Install the drawer-side slides to the outer surfaces of the drawer box.
 - Attach the handle to the center of the drawer front using the provided screws.
5. **Insert Drawers:** Carefully align the drawer slides on the drawers with the slides on the cabinet frame and push the drawers into place until they click or are fully seated.

If you encounter difficulties, ensure all parts are oriented correctly and all fasteners are properly engaged. Customer reviews

indicate that careful attention to the instructions is key for successful assembly.

5. OPERATING INSTRUCTIONS

- **Opening/Closing Drawers:** Gently pull the handles to open the drawers and push them back in to close. Avoid slamming drawers to prevent damage to the slides and unit.
- **Mobility:** To move the unit, release the brakes on the wheels (if engaged) and push the unit to its desired location. Re-engage the brakes to secure it.
- **Storage:** Utilize the four drawers for organizing documents, office supplies, or other small items. The top surface can be used for light items such as a small printer or decorative objects.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Fasteners:** Periodically check all screws and connections to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Wheels:** Keep the wheels free of dust and debris to ensure smooth movement.
- **Environment:** Avoid exposing the unit to extreme temperatures or high humidity, which can affect the engineered wood.

material.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not align or close smoothly.	Incorrect installation of drawer slides or frame not square.	Review assembly instructions for drawer slides and frame. Ensure slides are level and correctly oriented. Check that the main frame is assembled squarely.
Unit is wobbly or unstable.	Loose fasteners or uneven assembly.	Check and tighten all screws and cam locks. Ensure the unit is on a level surface.
Wheels do not roll freely.	Brakes engaged or debris in wheels.	Disengage wheel brakes. Clean any hair or debris from around the wheel casters.
Missing parts or damaged components upon arrival.	Manufacturing or shipping error.	Do not proceed with assembly. Contact Inter Link customer support immediately for assistance.
