Canarm York 1-Light Ceiling Pendant Light

INSTRUCTION MANUAL

Product Overview

The Canarm York 1-Light Ceiling Pendant Light offers a blend of Scandinavian-inspired design with a warm, oil-rubbed bronze finish and a clear glass shade. This fixture is designed to provide ample illumination and can be adjusted to fit various ceiling heights and room layouts. Its versatile design complements both modern and traditional interiors, making it suitable for kitchens, dining rooms, entryways, or living spaces.

Setup and Installation

This pendant light requires assembly and professional installation is recommended. Ensure power is disconnected at the circuit breaker before beginning installation.

1. **Prepare the Mounting Area:** Identify the desired location on the ceiling. Ensure the electrical box is securely mounted and capable of supporting the fixture's weight.
2. **Adjust Hanging Height:** The fixture features a 60-inch adjustable cord. Determine the desired hanging length and adjust the cord accordingly before wiring.
3. **Connect Wiring:** Follow local electrical codes. Connect the fixture's wires to the corresponding household wires (live to live, neutral to neutral, ground to ground) using appropriate wire connectors.
4. **Secure the Canopy:** Mount the fixture's canopy to the ceiling electrical box using the provided mounting hardware. Ensure it is flush and secure.
5. **Install the Glass Shade and Bulb:** Carefully attach the clear glass shade to the fixture. Insert a 100W Type A bulb (not included) into the socket.

Example installation of multiple Canarm York Pendant Lights, demonstrating their use over a kitchen island.

Operating Instructions

The Canarm York Pendant Light is designed for straightforward operation.

- **Power On/Off:** The light is controlled by a standard wall switch (not included) connected to the electrical circuit. Flip the switch to turn the light on or off.
- **Bulb Type:** This fixture is compatible with a 100-watt maximum, Type A incandescent bulb. For optimal performance and desired ambiance, ensure the correct bulb type and wattage are used.
- **Control Method:** The light operates via a touch control mechanism, typically integrated with the wall switch or a compatible dimmer switch (sold separately).

Maintenance

Regular maintenance ensures the longevity and appearance of your pendant light.

- **Cleaning:** To clean the fixture, ensure power is off. Wipe the metal parts with a soft, dry cloth. For the glass shade, use a mild glass cleaner and a soft cloth. Avoid abrasive cleaners or solvents that may damage the finish.
- **Bulb Replacement:** The fixture features a user-replaceable bulb design. To replace the bulb, ensure power is off and the bulb has cooled. Unscrew the old bulb and screw in a new 100W Type A incandescent bulb.
- **Inspection:** Periodically inspect the wiring and connections for any signs of wear or damage. If any issues are found, consult a qualified electrician.

Troubleshooting

If you encounter issues with your pendant light, refer to the following common troubleshooting steps:

- **Light Does Not Turn On:**
 - Check the circuit breaker to ensure power is supplied to the fixture.
 - Verify the bulb is securely screwed into the socket and is not burnt out.
 - Inspect wiring connections for looseness or incorrect attachment.
- **Light Flickers:**
 - Ensure the bulb wattage is compatible with the fixture and any dimmer switch used.
 - Check for loose wiring connections at the fixture or wall switch.
 - Try a different bulb to rule out a faulty bulb.
- **Glass Shade is Loose:**

- Gently tighten the retaining ring or screws that secure the glass shade to the fixture. Do not overtighten.

If problems persist after attempting these steps, contact a qualified electrician or customer support.

Specifications

Brand	Canarm
Model Name	Canarm York 1-Light Ceiling Pendant Light
Model Number	IPL276B01ORB
Dimensions	5.5"L x 5.5"W x 60"H (adjustable)
Material	Steel, Copper Wire, Zinc Diecast, Glass
Color	Oil-Rubbed Bronze (fixture), Clear (shade)
Voltage	120 Volts
Wattage	100 watts (max)
Light Source Type	Incandescent
Mounting Type	Ceiling Mount
Assembly Required	Yes
Item Weight	2.87 Pounds
