# Beats by Dr. Dre In-Ear Headphones User Manual

Model: OMEL-MR-PN-6694832

## INTRODUCTION

This manual provides instructions for the proper use, setup, and maintenance of your Beats by Dr. Dre In-Ear Headphones, Model OMEL-MR-PN-6694832. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

## PRODUCT OVERVIEW

The Beats by Dr. Dre In-Ear Headphones are designed for high-quality audio delivery and convenience. Key features include:

- **Solid Metal Housing:** Constructed with durable metal for enhanced resilience.
- **Grid-Iron Tough Build:** Engineered for robustness and durability.
- **Built-in Microphone:** Facilitates hands-free calls. Note that inline remote or microphone functionality may be limited with Apple devices.
- **Tangle-Free Cables:** Designed to prevent tangling for ease of use and storage.
- **Lightweight and Foldable Design:** Offers portability and comfort during extended wear.
- **Volume Control:** Integrated controls for easy audio adjustments.
- **Android Phone Control Support:** Optimized for use with Android devices.

## OPERATING INSTRUCTIONS

---

### Audio Playback

- **Play/Pause:** Press the center button on the inline remote once.
- **Next Track:** Press the center button twice quickly.
- **Previous Track:** Press the center button three times quickly.
- **Volume Up:** Press the '+' button on the inline remote.
- **Volume Down:** Press the '-' button on the inline remote.

### Call Management

- **Answer/End Call:** Press the center button once during an incoming call or an active call.
- **Decline Call:** Press and hold the center button for approximately two seconds during an incoming call.

***Note:** Functionality of the inline remote and microphone may be limited or vary when used with Apple devices compared to Android devices.*

## MAINTENANCE

---

- **Cleaning:** Regularly wipe the earbuds and cable with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tip Care:** Remove ear tips periodically and clean them with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store your headphones in the provided carrying pouch to protect them from dust, dirt, and tangling.

- **Avoid Moisture:** Keep the headphones away from water and excessive moisture.

## TROUBLESHOOTING

---

### No Sound:

- Ensure the 3.5mm jack is fully inserted into your device.
- Check the volume level on both your device and using the inline remote.
- Test the headphones with another audio device to rule out device issues.

**Microphone Not Working:**

- Verify that your device's microphone settings are correctly configured.
- Remember that microphone functionality may be limited with Apple devices.
- Ensure the microphone is not obstructed.

**Remote Control Issues:**

- Confirm compatibility with your device. Full functionality is primarily supported on Android devices.
- Ensure the connection is secure.
