## Dorel Living WM2440TP2W-DC

# Dorel Living Twin Bead Board Style Bed Instruction Manual

Model: WM2440TP2W-DC

## IMPORTANT SAFETY INFORMATION

---

Please read all instructions carefully before assembly and use of this product. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly.
- Do not use power tools for assembly as this may overtighten fasteners and damage the product.
- Periodically check all fasteners to ensure they remain tight.
- Do not allow children to play on or around the bed during assembly.
- This bed is designed for a twin-sized mattress. Do not use a mattress that is too small or too large.

## PACKAGE CONTENTS

---

Verify that all components listed below are included in your package. If any parts are missing or damaged, contact customer support.

- Headboard (1)
- Footboard (1)
- Side Rails (2)
- Cross Rail Supports (Multiple)
- Hardware Pack (Screws, bolts, washers, Allen wrench)
- Assembly Instructions (This manual)

## ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully to assemble your Dorel Living Twin Bead Board Style Bed.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratching. Identify each component using the parts list.
2. **Attach Side Rails to Headboard:** Align the side rails with the pre-drilled holes on the headboard. Secure them using the provided bolts and washers. Do not fully tighten bolts until all major components are connected.
3. **Attach Side Rails to Footboard:** Repeat the previous step to attach the other end of the side rails to the footboard. Ensure the bead board style is facing the correct direction on both the headboard and footboard.
4. **Install Cross Rail Supports:** Place the cross rail supports evenly across the width of the bed frame, resting them on the ledges of the side rails. Secure them in place with the provided screws. These supports are crucial for mattress stability and safety.
5. **Final Tightening:** Once all components are in place and aligned, carefully tighten all bolts and screws using the Allen wrench. Do not overtighten.
6. **Placement:** Position the assembled bed in its desired location.

*Assembly instructions are included with the product for detailed guidance.*

## USAGE GUIDELINES

---

This Dorel Living Twin Bead Board Style Bed is designed for sleeping and resting. Observe the following guidelines for optimal use:

- Use with a standard twin-sized mattress.
- Do not jump on the bed, as this can damage the frame and supports.
- Ensure the bed is placed on a level surface to prevent instability.
- The side rails with cross rail supports are designed for safety; do not remove or modify them.

## MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Product Care Instructions:** Dry Clean Only (referring to any fabric components, though the bed itself is wood/composite). For the wooden frame, a dry cloth is recommended for dusting.
- **Fastener Checks:** Periodically (e.g., every 3-6 months) check all bolts and screws and tighten them if necessary to maintain structural integrity.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight to prevent warping or fading.

## TROUBLESHOOTING

---

If you encounter any issues with your Dorel Living Twin Bead Board Style Bed, refer to the following common solutions:

- **Bed feels wobbly after assembly:**  
Ensure all bolts and screws are fully tightened. Check that the bed is on a level surface. If the issue persists, disassemble and reassemble, paying close attention to alignment.
- **Squeaking noises:**  
Tighten all fasteners. Squeaking can often be caused by loose connections. Ensure the mattress is properly seated on the cross rail supports.
- **Missing parts:**  
Refer to the "Package Contents" section. If parts are missing, contact Dorel Living customer support with your model number and a description of the missing part.

## SPECIFICATIONS

---

Feature	Detail
Model Number	WM2440TP2W-DC
Size	Twin
Color	White
Product Dimensions	80.25"L x 42"W x 50"H
Brand	Dorel Living

Included Components	Headboard
Finish Type	Painted, Wood
Item Weight	59.4 Pounds
Frame Material	Walnut, Wood (Note: Product is white, but frame material includes walnut, likely referring to wood type)
Assembly Required	Yes
UPC	065857153804
ASIN	B00IE3TS8A
