Ice Drops Breath Strips User Manual

Model: SG_B00IFR7PSU_US

1. INTRODUCTION

This manual provides essential information for the safe and effective use of OraLabs Ice Drops Breath Strips. These sugar-free breath strips are designed to instantly freshen breath with a blast of icy mint flavor.

2. SAFETY INFORMATION

Please read all instructions carefully before use. Keep out of reach of children. If irritation occurs, discontinue use immediately and consult a healthcare professional. Do not swallow the entire strip; allow it to dissolve on the tongue. This product is for oral use only.

3. SETUP

The OraLabs Ice Drops Breath Strips come in a convenient, portable dispenser. No assembly or prior setup is

required. Simply remove the product from its retail packaging.

4. OPERATING INSTRUCTIONS

To use the breath strips:

1. Locate the dispenser containing the breath strips.
2. Open the dispenser by sliding the top cover or pressing the designated release mechanism.
3. Carefully remove one breath strip from the dispenser.
4. Place the breath strip on your tongue.
5. Allow the strip to dissolve completely. This typically occurs within seconds.
6. Close the dispenser after use to protect the remaining strips.

The strips are designed to dissolve quickly, providing an instant burst of mint flavor to freshen your breath.

5. MAINTENANCE

To ensure the longevity and effectiveness of your Ice Drops Breath Strips:

- Store the dispenser in a cool, dry place, away from direct sunlight and excessive heat.
- Keep the dispenser tightly closed when not in use to prevent moisture exposure and maintain freshness.
- Avoid storing in humid environments, such as bathrooms, for extended periods.

6. TROUBLESHOOTING

If you encounter any issues with your Ice Drops Breath Strips, consider the following:

Problem	Possible Cause	Solution
Strips are sticky or difficult to remove.	Exposure to humidity or heat.	Ensure dispenser is stored in a cool, dry place. Close dispenser immediately after use.
Flavor seems weak or absent.	Product may be past its expiration date or improperly stored.	Check expiration date on packaging. Ensure proper storage.
Irritation in mouth after use.	Allergic reaction or sensitivity to ingredients.	Discontinue use immediately. Consult a healthcare professional if symptoms persist.

7. SPECIFICATIONS
