

TENGA KHE-001

TENGA X Keith Haring Street EGG (KHE-001) Instruction Manual

Model: KHE-001 | Brand: TENGA

INTRODUCTION

The TENGA X Keith Haring Street EGG is a single-use stimulating toy designed for personal pleasure. This product features dynamic internal details inspired by Keith Haring's iconic art and is crafted from a super-stretchable elastomer material to provide a unique sensation. It is designed for discreet and portable use.

SETUP INSTRUCTIONS

Follow these steps to prepare your TENGA EGG for use:

- Remove Film:** Carefully peel off the outer plastic film from the EGG packaging.
- Open EGG:** Gently crack open the EGG shell to reveal the elastomer sleeve inside.
- Remove Lubricant:** Locate and remove the enclosed pouch of lubricant.
- Apply Lubricant:** Apply the entire contents of the lubricant pouch into the opening of the elastomer sleeve. Ensure the lubricant is evenly distributed inside.

OPERATING INSTRUCTIONS

After applying lubricant, the TENGA EGG is ready for use:

- Insertion:** Gently insert into the elastomer sleeve. The super-stretchable material is designed to expand and

provide a snug fit for various sizes.

- **Experience:** Enjoy the unique internal textures and sensations provided by the EGG's design.
