PLAYING THE GAME

The My Monopoly game follows the classic Monopoly rules with the added element of personalized game pieces. The personalized tiles can be moved around the board to create a different game experience each time you play.

Basic Gameplay:

1. Players roll the dice to move their tokens around the board.
2. Land on unowned properties to buy them, or pay rent to other players if you land on their owned properties.

3. Build houses and hotels on your properties to increase rent.
4. Draw Chance and Community Chest cards when landing on those spaces, following the instructions on the cards.
5. The goal is to bankrupt other players and be the last player remaining.
