# Stihl BG-km KombiWerkzeug Blower Attachment User Manual

Model: 44046802020

## 1. Introduction

This manual provides essential information for the safe and effective operation, maintenance, and care of your Stihl BG-km KombiWerkzeug blower attachment. Please read this manual thoroughly before initial use and keep it for future reference. Proper understanding and adherence to these instructions will ensure optimal performance and extend the lifespan of your equipment.

The Stihl BG-km is a blower attachment designed for use with compatible Stihl KombiSystem powerheads. It is intended for clearing leaves, grass clippings, and other light debris from various surfaces.

## 2. Safety Instructions

Always prioritize safety when operating power equipment. Failure to follow safety precautions can result in serious injury or property damage.

- **Read the Manual:** Before operating, read and understand this manual and the manual for your KombiSystem powerhead.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including eye protection (safety glasses or goggles), hearing protection, and sturdy footwear. Long pants and gloves are also recommended.
- **Work Area:** Keep the work area clear of bystanders, children, and pets. Ensure adequate lighting and stable footing.
- **Inspect Equipment:** Before each use, inspect the blower attachment and powerhead for any damage, loose parts, or obstructions. Do not operate damaged equipment.
- **Fuel/Battery Safety:** Follow all safety guidelines for handling fuel or batteries as specified in your powerhead's manual.
- **Secure Attachment:** Ensure the blower attachment is securely fastened to the KombiSystem powerhead before starting.
- **Avoid Contact:** Keep hands, feet, and clothing away from moving parts.
- **Proper Grip:** Maintain a firm grip on the powerhead handles during operation.
- **Weather Conditions:** Avoid operating in wet conditions or during strong winds, which can spread debris

uncontrollably.

- **Storage:** Store the attachment and powerhead in a secure, dry place, out of reach of children.

Refer to the safety decals on the product for additional warnings and instructions.

## 3. Product Overview and Components

The Stihl BG-km KombiWerkzeug is a robust blower attachment designed for efficient debris clearing.

- **Blower Nozzle:** Directs the airflow for effective clearing.
- **Main Housing:** Contains the fan mechanism and connects to the powerhead.
- **Coupling Mechanism:** Allows for quick and secure attachment to a Stihl KombiSystem powerhead.
- **Safety Decals:** Important warnings and instructions for safe operation.

## 4. Setup and Assembly

Follow these steps to properly attach the BG-km blower to your Stihl KombiSystem powerhead.

1. **Ensure Powerhead is Off:** Before attaching or detaching any KombiTool, ensure the KombiSystem powerhead is completely switched off and the spark plug boot is removed (for gasoline models) or battery is removed (for battery models).
2. **Align Shafts:** Align the drive shaft of the BG-km blower attachment with the coupling shaft of the KombiSystem powerhead.
3. **Insert and Secure:** Push the attachment into the coupling until it clicks into place. Ensure the locking knob or lever on the powerhead is fully engaged and tightened to secure the attachment.
4. **Verify Connection:** Gently pull on the attachment to confirm it is securely fastened and cannot be easily removed.

For detailed instructions on your specific KombiSystem powerhead, refer to its individual instruction manual.

## 5. Operating Instructions

Once the BG-km blower attachment is securely connected to your KombiSystem powerhead, you can begin operation.

1. **Start Powerhead:** Follow the starting procedure outlined in your KombiSystem powerhead's instruction manual.
2. **Hold Firmly:** Grip the powerhead handles firmly with both hands.
3. **Direct Airflow:** Aim the blower nozzle towards the debris you wish to clear. Use a sweeping motion to move leaves and other materials.

4. **Maintain Distance:** Keep the nozzle a safe distance from the ground and objects to prevent kickback or damage.
5. **Work Systematically:** Clear debris in sections, working from the outer edges inward or in a consistent direction to avoid re-blowing cleared areas.
6. **Stop Powerhead:** To stop operation, follow the stopping procedure in your KombiSystem powerhead's manual.

**Important:** Never point the blower nozzle at people, animals, or fragile objects. Be aware of flying debris.

## 6. Maintenance

Regular maintenance ensures the longevity and optimal performance of your Stihl BG-km blower attachment.

- **Cleaning:** After each use, clean the exterior of the blower attachment with a damp cloth. Remove any accumulated debris from the nozzle and fan housing (ensure powerhead is off and disconnected).
- **Inspection:** Periodically inspect the attachment for signs of wear, cracks, or damage. Check that all fasteners are tight.
- **Storage:** Store the BG-km attachment in a clean, dry, and secure location, away from extreme temperatures and direct sunlight. It is recommended to detach it from the powerhead for long-term storage.
- **Professional Service:** For any repairs or complex maintenance, contact an authorized Stihl service dealer.

## 7. Troubleshooting

If you encounter issues with your Stihl BG-km blower attachment, consider the following common solutions:

| Problem | Possible Cause | Solution |
|---|---|---|
| Blower not operating | Attachment not securely connected; Powerhead not starting or running. | Ensure attachment is fully engaged and locked. Refer to powerhead manual for starting issues. |
| Reduced airflow | Obstruction in nozzle or fan housing; Damaged fan. | Turn off and disconnect powerhead, clear any debris. If fan is damaged, seek professional service. |
| Excessive vibration | Loose attachment; Damaged fan or internal components. | Check attachment connection. If vibration persists, discontinue use and seek professional service. |

For issues related to the powerhead, consult its specific instruction manual. If problems persist, contact an authorized Stihl service dealer.

## 8. Specifications

| | |
|---|---|
| **Brand** | Stihl |
| **Model Name** | BG-km KombiWerkzeug Blower Attachment |
| **Item Model Number** | 44046802020 |
| **Part Number (UPC)** | 46067405000 (UPC: 795711349851) |
| **Item Weight** | Approximately 3.96 pounds (1.8 Kilograms) |

| | |
|---|---|
| **Product Dimensions** | 7.87 x 19.69 x 7.87 inches (approximate) |
