MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your ECR4Kids Hardwood Table and Chairs Set.

Cleaning Instructions:

- **General Cleaning:** Wipe the surfaces of the table and chairs with a dry cloth. For tougher spots, a slightly damp cloth can be used, followed immediately by a dry cloth to remove any moisture.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the wood finish.

General Care:

- **Regular Inspection:** Periodically check all hardware connections to ensure they remain tight. Retighten if necessary.

- **Protect from Elements:** Avoid prolonged exposure to direct sunlight or extreme temperature changes, which can cause wood to warp or fade.
- **Floor Protection:** The chairs are equipped with nylon glides to protect your floors. Ensure these glides are intact and clean.
