Brady 127411 Emergency Eye Wash and Shower Sign User Manual

Model: 127411

1. INTRODUCTION

This manual provides essential information for the proper installation, use, and maintenance of the Brady 127411 Emergency Eye Wash and Shower Sign. This sign is designed to clearly identify the location of emergency eye wash and shower stations, contributing to workplace safety and compliance.

2. PRODUCT OVERVIEW

The Brady 127411 sign is a durable safety indicator constructed from B-401 plastic material. It features a clear legend and high-contrast colors to ensure maximum visibility. The sign is designed for wall mounting and is suitable for various industrial and commercial environments.

This image displays the Brady 127411 sign, featuring a blue header with 'NOTICE' in white, followed by 'EMERGENCY EYE WASH AND SHOWER' in black text on a white background. The sign measures 7 inches in height and 10 inches in width.

3. SAFETY INFORMATION

Safety signs play a critical role in preventing accidents and ensuring quick response during emergencies. Ensure the Brady 127411 sign is installed in a prominent, unobstructed location, clearly visible to all personnel who may need to access emergency eye wash and shower facilities. Regular inspection for damage or obstruction is recommended.

4. SETUP AND INSTALLATION

The Brady 127411 sign is designed for straightforward wall mounting. Follow these steps for proper installation:

1. **Select Location:** Choose a location directly above or adjacent to the emergency eye wash and shower station. The sign must be clearly visible from all approach angles.
2. **Prepare Surface:** Ensure the mounting surface is clean, dry, and smooth.
3. **Mounting:** The sign panels are round-cornered and pre-punched for easy application to rigid

surfaces. Use appropriate fasteners (screws, nails, or adhesive, not included) suitable for your wall material. Ensure the sign is securely attached and level.

4. **Verify Visibility:** After installation, step back and confirm the sign is easily readable and not obstructed by equipment, doors, or other objects.

For additional product information, refer to Brady product identifier Y2427035.

5. OPERATION

The Brady 127411 sign operates passively by providing visual communication. Its effectiveness relies on its clear visibility and strategic placement. No active 'operation' is required from the user beyond ensuring its presence and legibility.

6. MAINTENANCE

To ensure the longevity and effectiveness of your Brady 127411 sign, perform the following maintenance:

- **Cleaning:** Clean the sign periodically with a soft cloth and mild soap and water. Avoid abrasive cleaners or solvents that could damage the sign's surface or legend.
- **Inspection:** Regularly inspect the sign for any signs of damage, fading, or peeling. Check that it remains securely mounted.
- **Obstruction:** Ensure the sign is not obstructed by new equipment, storage, or other items that might hinder its visibility.

7. TROUBLESHOOTING

If you encounter issues with your Brady 127411 sign, consider the following:

- **Sign Not Visible:** Re-evaluate the sign's placement. Ensure it is at an appropriate height and free from obstructions. Consider additional lighting if the area is poorly lit.
- **Sign Damaged:** If the sign is cracked, faded, or the legend is illegible, it should be replaced immediately to maintain safety standards.
- **Sign Loose:** Re-secure the sign using appropriate fasteners. If the mounting holes are stripped, consider relocating the sign slightly or using larger fasteners with washers.
