nanoblock NAN14681

nanoblock Pokémon Mewtwo Building Kit

Model: NAN14681 | Brand: nanoblock

Introduction

Welcome to the nanoblock Pokémon Mewtwo Building Kit instruction manual. This kit allows you to construct a detailed miniature model of Mewtwo using micro-sized building blocks. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Important Safety Information

WARNING: CHOKING HAZARD — Small parts. Not for children under 3 years. This product contains small parts and is recommended for ages 8 and up, with a difficulty level of 2 out of 5.

Parts List

Your nanoblock Pokémon Mewtwo kit contains approximately 120 micro-sized building pieces. Before starting assembly, carefully open the packaging and verify that all pieces are present. It is recommended to organize the pieces by color and size to facilitate the building process.

Assembly Instructions

Follow the detailed step-by-step diagrams provided within your kit. The general assembly process involves layering blocks to create the three-dimensional structure of Mewtwo.

1. **Preparation:** Lay out all nanoblock pieces on a clean, flat surface. Refer to the included instruction sheet for the specific build sequence.
2. **Base Construction:** Begin by building the base layers as indicated in the instructions. These form the foundation of your Mewtwo model.
3. **Layering:** Carefully stack and interlock the blocks layer by layer. Pay close attention to the color and placement of each block to ensure accuracy.
4. **Detailing:** As you progress, add smaller detail pieces for features like eyes, ears, and other distinctive characteristics of Mewtwo.
5. **Completion:** Once all layers are complete, gently press down on the model to ensure all blocks are securely connected.

Care and Maintenance

- **Cleaning:** To clean your nanoblock model, gently wipe it with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model in a stable location to prevent accidental disassembly. Keep it away from direct sunlight and extreme temperatures.
- **Handling:** Handle the model with care, especially when moving it, to avoid pieces detaching due to its micro-sized components.

Troubleshooting

- **Missing Pieces:** If you believe a piece is missing, double-check the packaging and your work area. Due to their small size, pieces can be easily overlooked.
- **Difficulty Connecting:** Ensure blocks are aligned correctly before pressing them together. Apply gentle, even pressure.
- **Model Instability:** If the model feels unstable, re-examine the lower layers for any incorrectly placed or loosely connected blocks.

Specifications

Product Dimensions	1.41 x 2.36 x 3.81 inches
Item Weight	0.704 ounces
Model Number	NAN14681
Recommended Age	15 years and up (Manufacturer recommended), Difficulty Level 2/5 (Ages 8+)
Number of Pieces	Approximately 120
Manufacturer	Kawada

Warranty and Support

This nanoblock product is an officially licensed Kawada product. For product support assistance within the United States, please contact the authorized distributor, Bluefin / Bandai Namco. The product box will feature a warning label from Bluefin / Bandai Namco, which confirms authenticity and eligibility for support.
For further information or inquiries, please refer to the contact details provided on the product packaging or visit the official nanoblock website.
