nanoblock NAN14624

nanoblock Pokémon Charizard Building Kit Instruction Manual

Model: NAN14624
Brand: nanoblock

1. Introduction

The nanoblock Pokémon Charizard building kit allows you to construct a detailed miniature model of the iconic Pokémon, Charizard. This kit is part of the nanoblock Pokémon Collection series and features approximately 200 pieces. Designed for builders aged 13 and up, it offers a rewarding challenge with a difficulty level rated at 3 out of 5.
Charizard, also known as Lizardon, is a large, dragon-like Pokémon. This nanoblock model captures its distinctive features, including its orange/yellow coloration and large wings, allowing for a compact yet intricate representation.

2. What's in the Box

Your nanoblock Pokémon Charizard Building Kit includes:

- Assorted nanoblock pieces required to build the Charizard model.
- Detailed step-by-step instruction manual for assembly.

Please verify all components are present before beginning assembly. Due to the small size of the pieces, it is recommended to work in a well-lit area and keep components contained.

3. Setup and Assembly

Assembly of your nanoblock Charizard model requires careful attention to detail due to the miniature size of the blocks (as small as 4mm x 4mm x 5mm). Follow the included step-by-step instructions precisely.

Assembly Tips:

- **Organize Pieces:** Before starting, sort your nanoblock pieces by color and shape to facilitate easier identification during assembly.
- **Follow Instructions:** Refer to the detailed diagrams in the instruction booklet. Each step builds upon the previous one.
- **Use a Flat Surface:** Assemble the model on a clean, flat, and stable surface to prevent pieces from scattering.
- **Patience is Key:** The small size of the blocks requires patience. Take your time to ensure each piece is correctly placed.

4. Operating and Display

Once assembled, your nanoblock Charizard model is ready for display. These models are designed to be intricate 3D works of art that fit in the palm of your hand, making them ideal for desks, shelves, or display cases.

Display Suggestions:

- Place your model in a prominent location where its details can be appreciated.
- Consider collecting other nanoblock Pokémon or series models to create a themed display.
- Ensure the display area is stable and free from excessive vibrations to prevent accidental disassembly.

5. Maintenance

nanoblock models require minimal maintenance to keep them in good condition.

Care Instructions:

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth or use a soft brush. Avoid using harsh chemicals or abrasive materials.
- **Storage:** If disassembling or storing the model, keep all pieces in a secure container to prevent loss, especially given their small size.
- **Temperature:** Avoid exposing the model to extreme temperatures or direct sunlight for prolonged periods, as this may affect the plastic.

6. Troubleshooting

While nanoblock kits are designed for straightforward assembly, you may encounter minor challenges.

Common Issues:

- **Difficulty with Small Pieces:** The blocks are very small. If you find them difficult to handle, consider using tweezers for precise placement.
- **Missing Pieces:** In the rare event of missing pieces, please refer to the warranty and support section for contact information.
- **Model Instability:** Ensure all blocks are firmly pressed together. If the model feels unstable, double-check the connections according to the instructions.

7. Specifications

Attribute	Detail
Product Dimensions	2.99 x 2.99 x 2.2 inches (assembled)
Item Weight	1.3 ounces
Model Number	NAN14624
Manufacturer	Kawada
Recommended Age	13 years and up
Number of Pieces	Approximately 200
Difficulty Level	Level 3 (out of 5)

8. Safety Information

WARNING: CHOKING HAZARD -- Small parts. Not for children under 3 years.
This product contains very small components that can pose a choking hazard if swallowed. Keep all pieces out of reach of young children and pets. Adult supervision is recommended for younger builders within the recommended age range.

9. Warranty and Support

This nanoblock product is an officially licensed Kawada product. For products purchased from authorized U.S. Retailers, a Bluefin warning label will be present on the product box. This label serves as proof of authenticity and entitles the purchaser to product support assistance within the United States.
For inquiries regarding product support, missing pieces, or other concerns, please refer to the contact information provided on the Bluefin warning label or the official nanoblock website for your region.
