3. USAGE INSTRUCTIONS (OPERATING)

Follow these steps for optimal results:

1. **Prepare Hair:** For best results, ensure hair is styled as desired. Consider using TRESemmé Protecting Heat Styling Spray on damp hair before heat styling for added protection.
2. **Shake Well:** Shake the hairspray can thoroughly before each use.

3. **Apply Hairspray:** Hold the can 10-12 inches away from your hair.
4. **Spray Section by Section:** Apply the hairspray in short, even bursts, focusing on areas where you need extra hold or frizz control.
5. **Layer for Stronger Hold:** For an even stronger hold, apply additional layers of hairspray exactly where more control is needed.

Tips for Best Results:

- Do not overuse the product to avoid stiffness.
- For flyaways, spray a small amount onto your fingertips and gently smooth them down.
- This hairspray is designed to provide flexible hold, allowing for natural movement while maintaining your style.

4. SAFETY INFORMATION

- For external use only.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Keep out of reach of children.

- Flammable: Do not use near heat, sparks, open flames, or other sources of ignition.
- Do not puncture or incinerate container.
- Do not store at temperatures above 120°F (49°C).

5. STORAGE AND MAINTENANCE

- Store in a cool, dry place away from direct sunlight and heat.
- Ensure the cap is securely placed after each use to prevent clogging and maintain product integrity.

6. TROUBLESHOOTING

- **Hairspray feels sticky or stiff:** This may indicate overuse. Try applying a lighter mist or holding the can further away from your hair.
- **Nozzle clogging:** If the nozzle becomes clogged, rinse it under warm water to clear any residue.
- **Hair not holding style:** Ensure hair is clean and dry before styling. For stronger hold, apply in layers as directed. Humidity can affect hold; consider using a slightly heavier application in humid conditions.
